MRS. ELLA S. DUTE

"She is so tall and stately . . . So lovely and serene  
 You cannot help but say she is . . . The image of a queen  
 And yet she is as humble and . . . As kindly in her way  
 As any godly creature of . . . Today and yesterday.  
 She counsels leaders of the "Y" . . . and freshmen in the Fall.  
 With ease and comfort gained . . . From years at Kaufman Hall  
 And everyone she ever meets . . . Remembers her with sighs  
 Of happiness and gratitude . . . For help in trying times.  
 We thank God for this angel . . . Who came upon the earth  
 And gives to all her gentle smile . . . Of everlasting worth  
 We, the Class of 1949, proudly dedicate our Spectrum  
 to a favorite star, Mrs. Ella S. Dute.

# Prologue

The campus of North Central is a large stage upon which thousands of dramas are enacted daily. Life, with a capital "L", is the plot, and each person concerned has his leading role. It is gay . . . invigorating . . . and sometimes heavy with the monotonous repetition of more . . . and more . . . and more work. Yet the survival of the fittest continues. The story of this struggle is the purpose of the next pages, told in pictures and in words. When the final curtain is lowered, we hope that this book, the program of the "Saga of the 49ers", will help you to treasure the tears and laughter experienced during the year.

# OLD MAIN

Some students may go through their college life without viewing every section of the fieldhouse; some may miss the intricate objects in the Science building; but everyone is familiar with the worn and treaded steps of Old Main.

### THE PRODUCERS

DR. C. HARVE GEIGER

Now in his third year, Dr. C. Harve Geiger, President of North Central College, has proved a helpful aid to many worried students and faculty members. His experience was gained while he was Acting President and Dean of Coe College, Cedar Rapids, Iowa.

In 1922 Dr. Geiger received his Bachelor of Arts degree from the University of Chicago; in 1928 his Master of Arts degree from Harvard University, and in 1940 his Doctor of Philosophy degree from Columbia University. He also studied at Manchester College, North Manchester, Indiana.

His extensive travels through the Mid-west, delivering addresses for many civic and educational groups and churches, have served to focus attention on North Central and accumulate additional students.

# PRODUCERS

C. E. ERFFMEYER

Kind, helpful, genial Dean Erffmeyer has helped many a confused freshman . . . and senior . . . locate himself and be sure he is all set for graduation. Advice of authority is a result of his experiences received from years at North Central.

Dean Erffmeyer has received the degrees of B.A., M.S., and Ph.D. He was raised among the home folks of Abilene, Kansas. What spare time he has left after the discharge of his duties is spent on relaxing with a fishing pole and a good book.

HELEN L. CUNLIFFE

New ideas and regulations for the girls of the campus started when Miss Helen Cunliffe became Dean of Women. A democratic government is in progress, the wives of the students were organized into a group, and sophomore advisors were set up to advise the freshman women. These are all a part of the program designed to promote an easier and more understanding college life.

Miss Cunliffe has her A.B. and M.A. She was born in the town of Gilbertsville, New York, and is interested mainly in gardening and winter sports.

# In Memoriam

JAMES PURVIS KERR  
1891-1949

On April 13, James Purvis Kerr, Head of the Commerce Department and Business Administration, passed away at Copley Hospital in Aurora.

Professor Kerr was known at North Central College for his genial personality and dependable business advice. As sponsor of the SPECTRUM, the COLLEGE CHRONICLE, Commerce Club, Student Finance Board, and many interests in other phases of college financial ventures, James Kerr knew all the intricate details of North Central.

Both in his classes and as director of the Student Union Room, he remained kind, informal, and jovial. Graduate students often returned to ask advice and information from Prof. Kerr. He always gave sound and helpful hints. Never over-wrought with burden of cares, he helped any student with his or her individual problem.

James Kerr was born on April 9, 1891. He came to North Central and was installed as head of the business administration and commerce department in 1925. On April 1, 1949 he suffered a heart attack and was taken to Copley Hospital in Aurora. There he passed away on April 13, 1949. He is survived by his wife, Clara, and two children, Jim and Joan.

His death is deeply mourned by his many friends. Faculty and students will never be consoled in the loss of beloved Professor James Purvis Kerr.

OSCAR EBY  
1886-1949

Oscar Eby, Assistant Treasurer and manager of the College Book Store, passed away on November 12, 1948, after an illness of six weeks.

"Oscar" served North Central faithfully for 37 years. He came to the campus in 1911 to accept a position as assistant to the business manager of the college. In his years at N.C. he served ten generations. Among these he has left hundreds of friends who knew him for his friendly but reserved manner and willingness to be of assistance. "He was never too busy to help", was a tribute frequently paid to Mr. Eby.

Oscar Eby was born near Hamilton, Ontario on June 14, 1886. He was the son of an Evangelical minister. He accepted a position in 1911 as assistant to the late F. W. Umbreit, then the business manager of North Central.

During his 37 years here in Naperville, Mr. Eby had, in his quiet way, won the respect of campus and community alike. Mr. Eby's passing is mourned by his wife, Marie, and two sons . . . Kenneth, a student at North Central; Howard, a senior at Naperville High School . . . and many friends.

Students and faculty join in a tribute to Oscar Eby, a worthy friend and a helpful advisor.

# THE DIRECTORS

Frederick G. Alexander, A.B., M.S.

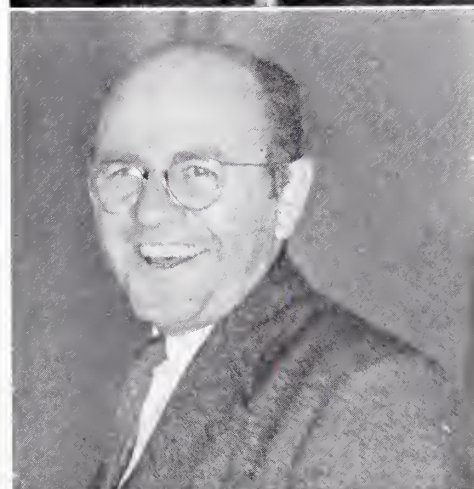

Herbert G. Beck has received his B.S. He was born in the "windy city" of Chicago, Illinois. His hobbies include music and crafts, and all new information obtainable in his field of mathematics.

"A good Joe" is a term commonly applied to John Bekker, professor of economics. He has earned his M.A. and his B.A. He was born in Akkermen, Russia, and his hobbies are horse-back riding and chess.

Lester C. Belding has his B.E. and M.A. He was born in Mason City, Iowa, and his hobbies include fishing, hunting, and golf.

# DIRECTORS

Ned E. Gardner, piano instructor, has earned his Bachelor of Music, Bachelor of Music Education and Master of Music. Born in Greensburg, Indiana, his hobbies are photography and numismatics.

The "curly-headed" zoology professor, Harold J. Eigenbrodt, has his M.A. and Ph.D. Faribault, Minnesota claims him as one of their native boys and his hobbies of gardening, fishing, and tennis take up a good share of his spare time.

Harold J. Eigenbrodt, B.A., M.A., Ph.D.  
Mary Louise Hargis, B.M., M.M.

Ned E. Gardner, B.M., B.M.E., M.M.  
Richard M. Eastman, B.A.

Richard M. Eastman has his B.A. and graduate study at Yale and the University of Chicago. He was born at Locust Valley, New York. His hobbies consist of writing (what would be more natural for an English professor?), piano, gardening, golf, and tennis.

Voice lessons are given by Mary Louise Hargis, who has received her B.M. and M.M. Born in El Dorado Springs, Missouri, her hobbies include music, travel, and reading.

W. H. Heinmiller, A.B., A.M.

E. N. Himmel, B.S., M.S.

C. C. Hower, B.A., M.A., Ph.d.

Luella C. Jurrens, B.S., M.S.

Sociology is taught by W. H. Heinmiller, who has his A.B. and A.M. degree. He was born at Dresden, Germany, and has developed gardening and writing as his hobbies.

C. C. Hower, instructor of classics and genial Registrar, has his B.A., M.A., and Ph.D. He was born in Upland, Indiana, and has tennis, chess, and woodworking as his hobbies.

The amiable Botany professor, E. N. Himmel, has his B.S. and M.S. He was born in Radcliffe, Iowa. His main outside interest of camp-work has been well demonstrated at the local church campus.

The new home economics professor, Luella C. Jurrens, has her B.S. and M.S. degrees. She was born in Saunemin, Illinois, and her hobby is sewing.

Warren N. Keck, B.A., M.S., Ph.D.

Warren N. Keck, Biology professor, has attained his B.A., M.S., and Ph.D. He began his life at Stockport, Iowa, and has remained a "nature boy" at heart, pursuing the study of gardens and birds.

James P. Kerr, B.A., M.A.

A typical college professor, James P. Kerr kept his students informed on pressing commerce problems of the day. He earned his B.A. and M.A. degrees. Born at Saginaw, Michigan, his hobbies included gardening and traveling.

## DIRECTORS

Philosophy is the subject of Walter K. Klass, who has his M.A., B.D., and Ph.D. His "hometown" is Ottawa, Illinois. Music scores high with Dr. Klass as a hobby.

Walter K. Klass, M.A., B.D., Ph.D.

New at North Central, Florence S. Koeder is kept busy teaching secretarial science and straightening out personnel problems. She has her B.S. degree. Born in Frankton, Indiana, her hobbies are all "things in general."

Florence S. Koeder, B.S.

I. A. Kotten, the chemical artist, possesses a B.A., M.S. and Ph.D. His home town is Bon-duel, Wisconsin, and fishing and music are the objects of his spare moments.

"The better half" of the Luntz family, Helen R. Luntz, is an instructor of romance languages. She has received her B.A., M.A., and Ph.D. Her home town is Westminster, Maryland.

Director of the School of Music, George Luntz has earned his Mus.B. and his Mus. M. He began his life of music in Steubenville, Ohio.

With his A.B., M.A., and Ph.D., William H. McClure is an able history professor. He was born in Saginaw, Michigan, and his hobbies include "anything mechanical," languages, and travel.

N. W. McGee, B.A., M.A., Ph.D.

Alice Meier, B.A., M.A.

Hildred Nienstedt, Librarian

David Noss, B.A., B.D.

N. W. McGee, "that wonderful American Government Prof." hails from Farley, Iowa, where the corn grows tall . . . (just ask him!) He has received his B.A., M.A., and Ph.D. His hobbies include gardening, travel, and photography.

Miss Hildred Nienstedt, College Librarian, is a graduate of Wisconsin University and Library School. Her hobbies include the appreciation of music and books.

Alice Meier, German professor and Kroehler House "Mom" has received her A.M. degree. (With all the fellows hanging around Kroehler, she should be getting her P.M. degree soon!) Miss Meier was born in Hubbard, Iowa, and her hobby is "the great out-doors."

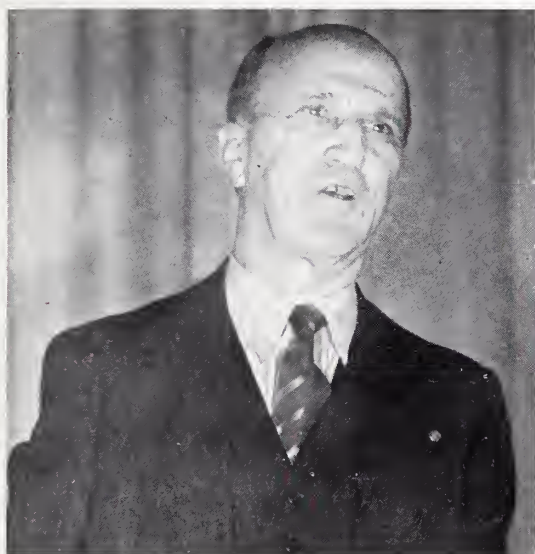

Born in the "far-away place" of Aizu-Wakamatsu, Japan, David Noss came to America to earn his B.A., B.D., and take graduate study at Divinity School, University of Chicago. This English professor spends his spare minutes (when not advising the Spectrum) at tennis and gardening.

Typical of Guy Eugene Oliver is his hobby of "the world, and all its interests." He includes his observations in his speech lectures. He has received his B.A. and has had additional work at the Leland Powers School of the Spoken Word in Boston, Mass., and graduate work at Northwestern University. His birthplace is Minnesota City, Minnesota.

Allen D. Page, physics instructor, has earned his A.B. and M.A. degrees. He was born and raised in Ripon, Wisconsin. From his native state he has learned the outdoor sports of fishing and hiking. He also spends his spare time in singing.

Guy Eugene Oliver, B.A.

W. E. Olson, our physical education professor from the East, was born in Cranston, Rhode Island. He received his B.S. degree. His hobby is represented by sports, any and all kinds.

History professor, John Pfau, is carrying two jobs at once. Still a student himself, he also instructs N.C. students. Born in Yugoslavia, he has his A.B. and M.A. degrees. His hobbies are languages, travel, and mechanics.

## Act Two — Scene One

### SENIORS

"We're the miners—49'ers" . . . With the first breath of "Clementine," the Class of '49 has laid claim to bigger and better stakes at North Central. We won a Homecoming Parade prize with our cooperation and genius. And this was just the beginning of our '49 rush.

Losing a few of our members to the call of the wild, the remainder of the class rolled on in our covered wagons to the level of sophomores. Here we stopped for a year to torment the green frosh and to win the Flag Rush.

Rising with grandeur to positions as juniors, we entertained our superior senior class with a tremendous Junior-Senior Banquet at Oak Arms Hotel. This, and other activities, denoted us as a class to watch . . . not for sensational, spur-of-the-moment triumphs, but for steady, hard-fought-for wins.

Becoming seniors, we added the last chapter to the "Saga of The 49ers." Royally treated ourselves by the present Junior Class, we carried our distinction with poise and surety gained by our travels. People in our caravan took top

honors again and again. . . Ken Truckenbrod, Student Body President, took first place in the Intercollegiate Oratory Contest held on the North Central campus; Senior producers directed several successful one-act plays; a senior cast presented "The Mikado", a successful operetta with Bill Wunder, Howie Cosyns and Genevieve Spiegler taking leading roles; football was co-captained by our "Moose" Wolgast; and we constituted a majority of the intellectual groups.

We have been represented in every noteworthy and impressive activity and organization. Little by little, bit by bit, we have ingrained our ideals and inspirations into the traditions of North Central. We have led the school into a well-planned and fun-packed year of the '49ers.

Our class officers for this final year were Bill Rumsfeld, President; Vivian Berg, Vice-President; Mary Lou Kuenzli, Secretary; Warren Otto, Treasurer; Lois Weiss, Women's Representative; Duane Dennis, Men's Representative; and Dr. Erffmeyer, Advisor.

## Act Two — Scene II

### JUNIOR CLASS OFFICERS

*Standing:* Carl Zager, Men's Representative; Len Burch, Treasurer.

*Seated:* Gordon St. Angelo, President; Mary Lutz, Women's Representative.

*Not Pictured:* Lee Ester, Vice President; Lucy Kodani, Secretary.

"The Class of 1950 outshine the other classes as far as activities and school pep are concerned!" Or . . . "Gosh, is the Junior Class doing something again?" Thus, ever since the large Class of 1950 was in its rompers, the students and faculty have been standing up and taking notice.

Taking a cross-section of student life on campus, one finds that the juniors are represented in all activities . . . athletics, clubs and organizations, debates, and music.

October found Fort Hill Campus dotted with members of the class enjoying a picnic under the co-chairmanship of Joy Ramsdale and Harry Hawkins.

"We Care" resulted in a Care-nival by the Junior Class. Nancy Thompson's originality made the affair one of the most successful events of the school year. The co-chairman was Joe Grandlienard. Taxi-service, hot coffee, dating service, and many other courtesies were offered to the students in addition to the Care-nival.

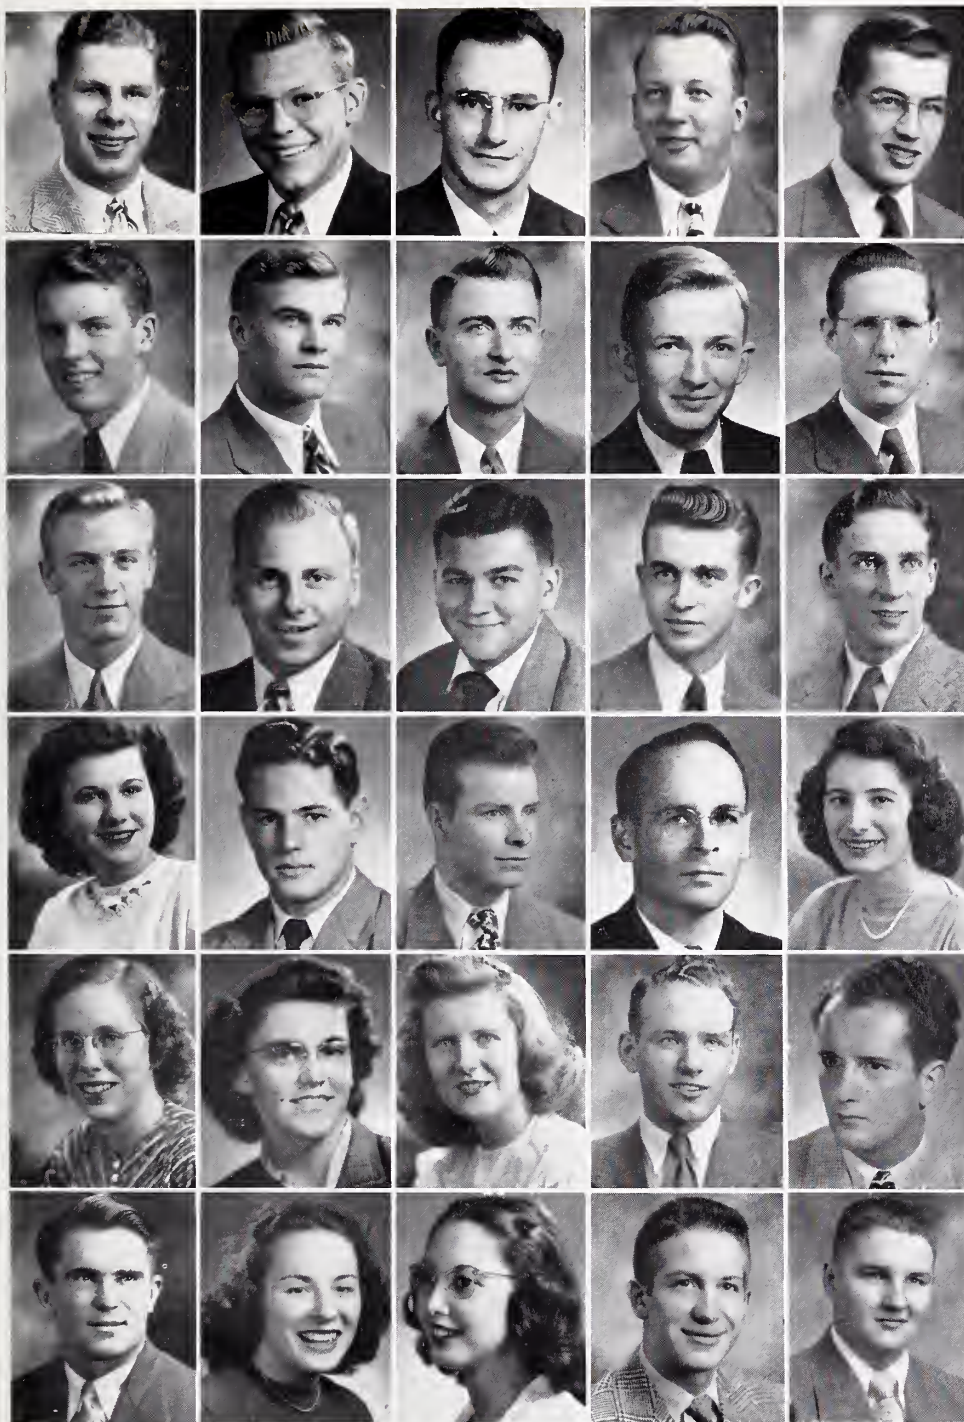

The money earned from these activities was given to the W.S.S.F.

The Junior-Senior Banquet was held at the 19th Century Club in Oak Park. Well planned, it was a great success because of a sincere desire to satisfy every student in these classes.

The athletic prowess of the Class of '50 is shown by the many men who hold key positions on the football, basketball, track, swimming, and baseball teams.

Leading the class through its third year were the President, Gordon St. Angelo; Vice-President, Lee Ester; Secretary, Lucy Kodani; Treasurer, Len Burch; and Advisors, Professors Schap and Heinmiller.

The Class of 1950 has many happy memories . . . winning a tug-of-war, gay carnivals, talent shows, and fun-packed picnics. Looking forward, the juniors anticipate a senior year that will be as memorable and successful as the past year.

## SOPHOMORES 1951

### SOPHOMORES CLASS OFFICERS

*Standing:* Don Koten, Treasurer; Curley Norenberg, Vice-President; Bill Senn, Men's Representative.

*Seated:* Phyllis Ebinger, Women's Representative; Jack Koten, President; Mary Ritzman, Secretary.

Sophomores and success are synonymous.

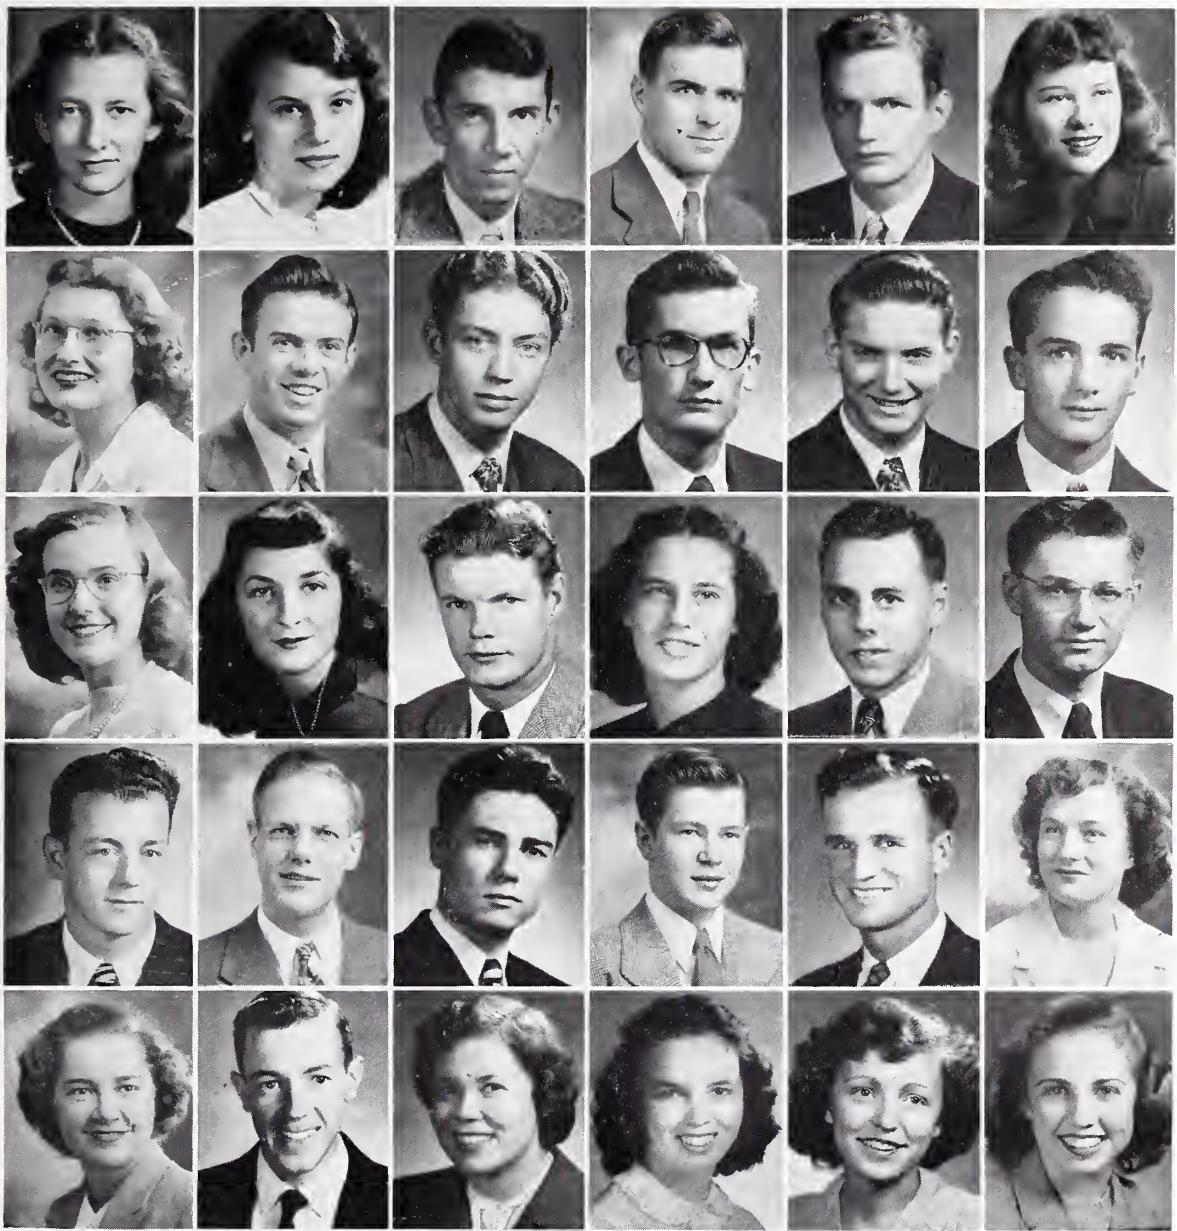

As Freshmen we pulled the supposedly mighty Sophomores through the muddy waters of the DuPage in the annual Tug-of-War. This year, as Sophomores, we continued our athletic victories and the Freshmen were initiated by having cool water around their waists. Even tying the rope around the fence post did not help the lowly Frosh. After five minutes of strenuous effort our Herculean strong men had the first freshman on our bank. Later in the fall we made it a double triumph over the "Greenies" at the traditional Homecoming class scrap between the Sophs and the Frosh. We outpointed and outran the yearlings in a fast game of speedball.

Not all of our fun was had on the athletic field. There was the weiner roast under the moon on Fort Hill campus in the fall and the popular Hearty-Party on Valentine's Day. Later in the spring we entertained the student body at an Ice Cream Social.

Our "Moonlight Rhapsody" in Club 51 set a new precedent in class shows. Musically we will be hard to beat. Our 16 piece orchestra, quartets, duets, and famous Harmonettes are among the finest ever to be at North Central.

Athletically we boast such Cardinal stars as Bob Koenitzer in swimming, Bob Weldy in basketball, Lefty Andrews in baseball, and Dave Meloney in track.

As Sophomores we're looking ahead to the future. Organizationally we were much stronger than we were as Freshmen. Our class president, Jack Koten, was capably assisted by Curly Norenberg, vice-president; Mary Ritzman, secretary; and Don Koten, treasurer. Phyllis Ebinger and Bill Senn were our representatives to the student council. Dr. Koten acted as our advisor. Our class spirit has risen immeasurably. As Juniors and Seniors we will be able to leave an indelible mark in the annals of NCC history. Much of our future success will be based on what we did as Sophomores.

FRESHMAN  
CLASS OFFICERS

*Standing:* John Adams, Men's Representative; Bob Heinrich, Treasurer; Don Russell, Vice-President

*Seated:* Miriam Felberg, Women's Representative; Reinhold Heinrich, President; Lehlia George, Secretary.

The Class of '52 entered North Central 246 strong. The first week was full of new adventures for us. First registrations went off smoothly with the aid of our Big Sisters and Big Brothers. We were the subjects of the week's events. We were met at the train by delegates of upperclassmen, entertained at a frosh party, met the other students at an all-school party, provided light for the mid-week parade, feted at a tea at the President's House, and entertained at banquets on Friday.

We lost our first struggles at the tug-of-war and sophomore-freshmen class scrap. Our distinguishing claim lies in the fact that we survived Woe Week. And it wasn't easy! We were asked to run errands, shine shoes, clean rooms, type papers, make beds, and give manicures beside extra activities in which we all participated. We washed faculty cars, cleaned the pond, scrubbed the sidewalks of Old Main, and wore clothes of all types and descriptions.

Our class was active in all athletics. We shined at football with Jim Tarte, Jim Ienello, Dan Dobrowski, and Ronnie Baumgartner, and in basketball with John Adams, Dale Evans, Bill Braddish, and Bill Claus.

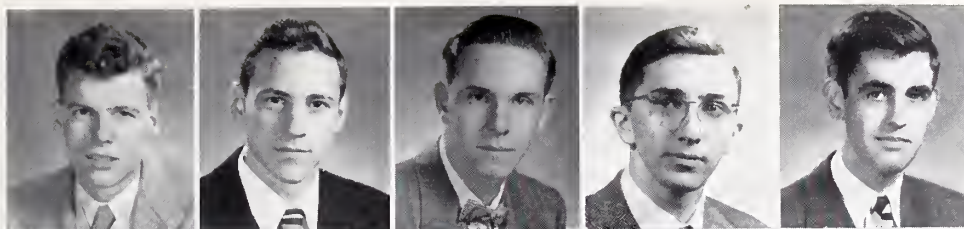

The Class of '52 didn't become firmly united until Homecoming. We built a tremendous bonfire only to have it set afire the morning of Homecoming by overzealous upperclassmen. Called out from chapel, we formed a bucket brigade and helped the fire department put out

the fire. We then rapidly rebuilt a bigger and better bonfire with the cooperation of the majority of the class. The boys built while the girls served coffee and donuts to keep up the morale. This misfortune was a benefit for our class because it made us pull together as a class for the first time.

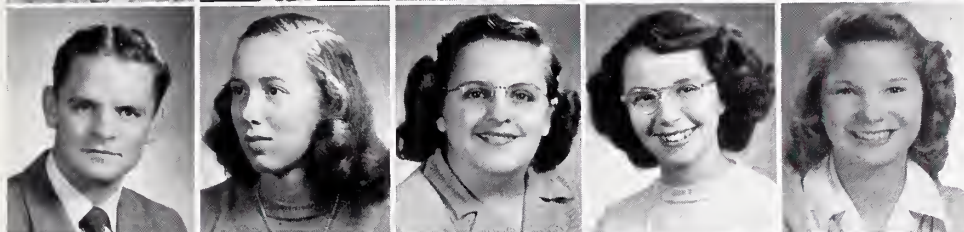

In the early spring we put on a talent show for the student body. "The Follies of '52" was co-chaired by Duane Neuenberg and Carol Eichelberger. The classical was featured with the unclassical. Ruth Baumgartner thrilled the audience with her rendition of a classical song. Tom "Fingers" Archer amazed the audience with his spectacular piano playing, climaxed by his playing of a boogie number blindfolded and wearing mittens. Bob Hayes, Jerry Lindgren, and Jerry Stirtz helped to round out the entertainment.

We had our class picnic in May. The next function in which we featured was the May Fete. We were the main attractions there and at the evening program. Our pajama clad boys were the "happy" mat for King Rex.

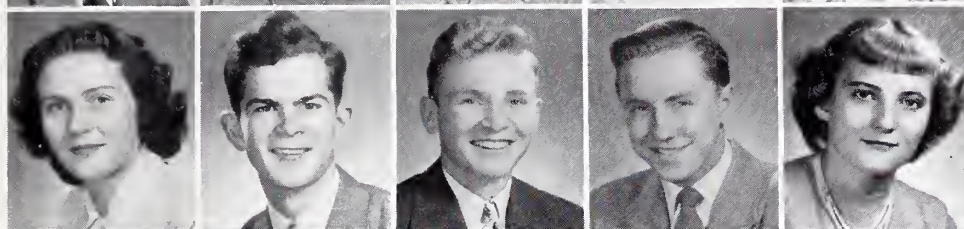

We began our year slowly but gained speed as we rolled along. We were led this year by Reinhold Heinrich, President; Don Russell, Vice-President; Lehlia George, Secretary; Bob Heinrich; Treasurer, Miriam Felberg; Women's Representative; and John Adams, Men's Representative. Our advisor was Dr. Deabler.

After capturing two successive C.C.I. Championships, North Central's football team scraped rock bottom in the 1948 season, winning one and dropping seven. It was the worst season for a Cardinal eleven since 1905 when the football team won none, tied two, and lost three.

Bright spots in the campaign were the selection of stalwart co-captains Norrie Cross, center, and "Moose" Wolgast, guard, on the All-Little Nine conference football team. Scat-back Len Burch made honorable mention.

In starting his first year as head football coach at North Central, Coach Bill Olson depended on the whizardry of the T-formation to carry the team through the season. The Cards played 18 scoreless quarters before they hit pay dirt.

Late in the second quarter of the Homecoming game against Augustana, NCC made its first tally of the '48 season. Lubach passed to Mehn who was waiting in the end zone. The kick by Lubach was good. The Vikings came back in the second half to win 14-7.

The "Brass Bell", symbol of football supremacy between North Central and Wheaton, left NCC's hallowed halls by virtue of a 14-0

Norrie Cross, co-captain, Coach Olson, Frank Wolgast, co-captain.

Crusader victory. It was the fifth time Wheaton has emerged victorious in the thirty-one meetings between the two schools.

Unloosing their pent up power against Elmhurst, the Cards crushed the Blue Jays 34-6 to sneak out of the C.C.I. cellar. Burch, Ienello, Tarte, and Lubach marched in the touchdown parade with Lubach converting four times. Lind passed to Dunning for the final marker.

# BASKETBALL

For a team starting its first season of play with a style new to each individual it might well be said the North Central basketball squad made a commendable showing in the won-lost column.

Starting slow, the team, using the fast break, soon began gathering points as exemplified by the 78 garnered against Canterbury, 77 collected against Illinois College, 78 against Lake Forest, and the season's highest over Carroll College, 79. The last was a new NCC scoring record. Throughout the season, the team averaged 62 points against the opposition's 57.

Individual honors go to the consistency of sophomore Bob Weldy, season's high point man with 170 points and winner of North Central's Free Throw Trophy. Second in line for high point honors was John Berger with a total of 157, followed closely by freshman John Adams who dropped in 150 points. Juniors, sophomores and freshmen made up the entire '48-'49 team, allowing one to think of the future with high hopes.

Coach Bill Olson, in his first season at North Central, led the Cardinal five to a fifty-fifty conference season of five won and five lost. The total season added three victories and four defeats, giving the red and white a gross of eight wins and nine losses. The team placed fifth in the conference standing.

The Cardinals opened the season on home ground facing Indiana Central. Bob Weldy and John Koenitzer paced the Cardinal cagers with ten points apiece although the red and white dropped the contest 59 to 43.

What goes up must come down.

Against Elmhurst the Redbirds utilized the advantage of their fast break to down the visitors 68 to 38. The Blue Jay five had trouble locating the ring as John Adams paced the Olsonmen with 9 buckets and a charity toss for a total of 19 points. Frosh Adams hit 6 buckets his first six minutes of play.

Entertaining Canterbury of Indiana the red and white put on what Coach Olson considered, and what proved to be, one of the better games

of the season. The highly touted Hoosiers gained a last minute victory against a fast, spirited Cardinal five. They won by five points as the score ended 83 to 78. High scoring went to Canterbury's guard, Bob Fine, who sank 11 baskets and 4 free throws. Closely following the 26 points of his teammate was forward Cline of Canterbury, who netted a total of 25 points. North Central's high pointer was John Adams, who looped in 7 buckets for 14 points.

January 5 was the opening day of the conference for North Central when they traveled to Lake Forest to down the Foresters 48 to 62. Leo Hoffman, NCC center, gained high point honors for his team with 5 baskets and 5 charity throws. Evening's honors went to Forester Bob Joor, who totaled 21 points.

Three evenings later Augustana came to Merner field house to offer North Central its second straight conference victory. John Berger captured Cardinal scoring honors, ringing in 6 baskets and 6 free tosses to total 18 points. The Cards led 33 to 21 at the half, and ended the game with the score standing 65 to 54.

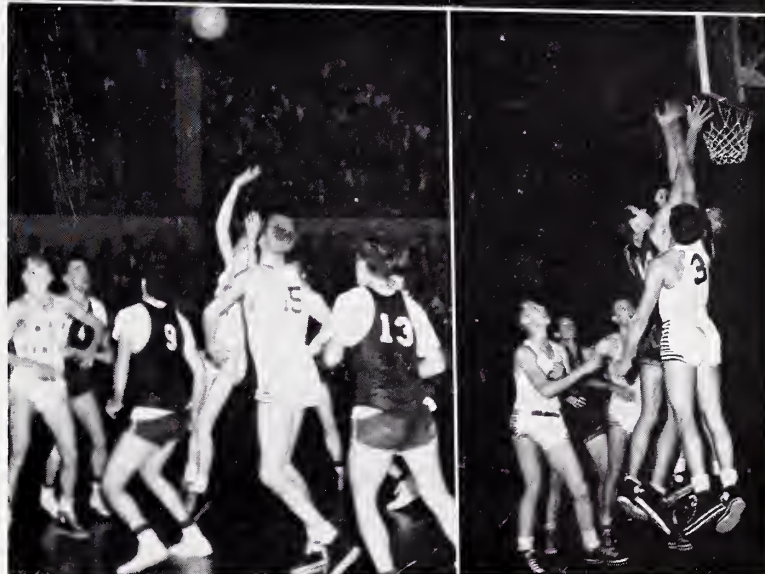

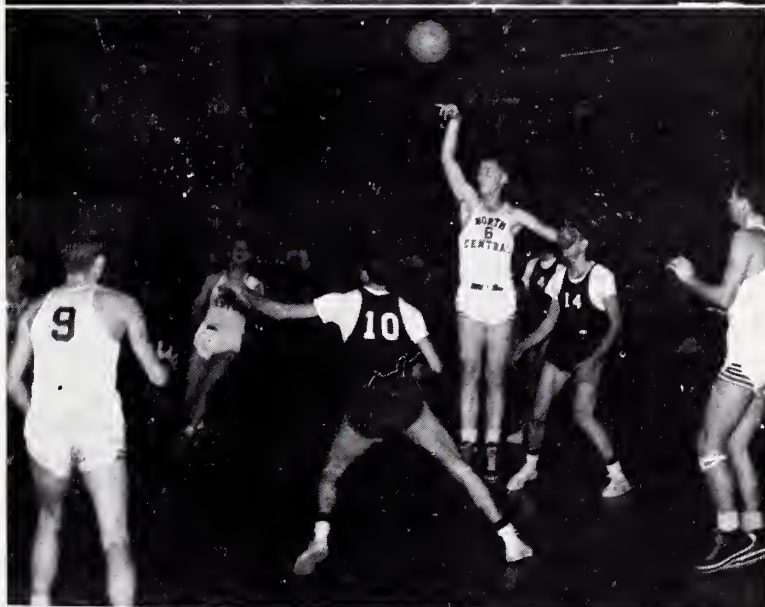

In Waukesha, Wisconsin, the Redbirds dropped a decision to the Carroll Pioneers on Monday, January 10. The half time count was recorded at 26 to 26 with the Cards pacing the way but then slowing slightly. Carl Zager's absence was felt as the Olson quintet sagged to loose, 62 to 50.

Home for two games, the Cards took the first against the University of Chicago in a close 63 to 61 contest. The last 30 seconds found the Chicago team still fighting desperately after a long uphill climb to get near North Central's sharpshooters. Four points were scored by the maroon's in the last moments, giving the crowd a real thrill when the Chicago club missed the victory and the gun sounded.

A week later the Cardinals received their first conference setback at the hands of Illinois Wesleyan. Halftime saw the Card five trailing 34 to 24. Red Weldy, held to a free throw the entire first half, picked up to top North Central scoring with six buckets in the second period as the red and white went down in defeat, 72 to 60.

Chicago gained revenge over the Cardinals on the University floor in edging our red and white 32 to 31. Leading by six points at the half, North Central soon increased it to a 26 to 12 score. Then, as a Chronicle writer put it, "At this point in the ball game some scatterbrain put a lid on the NC basket . . ."

Three conference games facing the Cards away from home brought in two defeats and one victory. Matched against Illinois College the Redbirds were trimmed by nine points, giving in 86 to 77. Millikin then paced the quintet in a match that ended 76 to 56. Following this losing streak, North Central took a victory from Elmhurst, 34 to 57. Bob Weldy paced the Illinois College game by accounting for 11 buckets and 5 gift shots, totaling 27 points. Spevak and Zager led scoring against Millikin, gaining 12 and 11 points respectively. Spevak's scoring and Weldy's defense gave an insight to the victory over Elmhurst.

Oh-h, I missed that one.

Hit or miss . . . Knock it in.

The season's highlight came on February 12 when Wheaton visited the North Central campus. With Merner Field House jammed to the rafters, the game began. Taking the lead most of the way, the red and white played a brilliant game against the conference champions. Holding the fast, sharp shooting Johnson, Wheaton high scoring center, to a below average night, the game went into the final seconds, still in Cardinal hands. Tied up with 32 seconds left to play and the crowd tensely on its feet, the Crusaders sank the final basket to win 57 to 55. Bartlett, playing his first home game, did a brilliant job of defensive ball playing.

Carroll College, Carthage and Lake Forest felt the result of pent up energy, for after the thrillingly close game with Wheaton, North Central's five ran up three high scoring contests. The earlier loss to Carroll was avenged as the Olson men pushed through a new high in racking up 79 points to the Waukesha's 43. Carthage suffered a 73 to 37 defeat before the Cards met Lake Forest to take the gold coasters 78 to 45. Every man but one scored in the Carroll game while Adams lead the way with a total of 13. Berger paced the Cards against Carthage by dropping in 19 points, and against Lake Forest by sinking 13.

The season's final game was held in Wheaton, where the Cardinal's team work bogged down and the spirited Wheatonites, playing before a full house on home floor, finished the season in first place by downing North Central 93 to 66. Johnson, of Wheaton, scored high for the night by raining in 26 points while Berger and Adams shared scoring honors for the Olson quintet by garnering 14 points each.

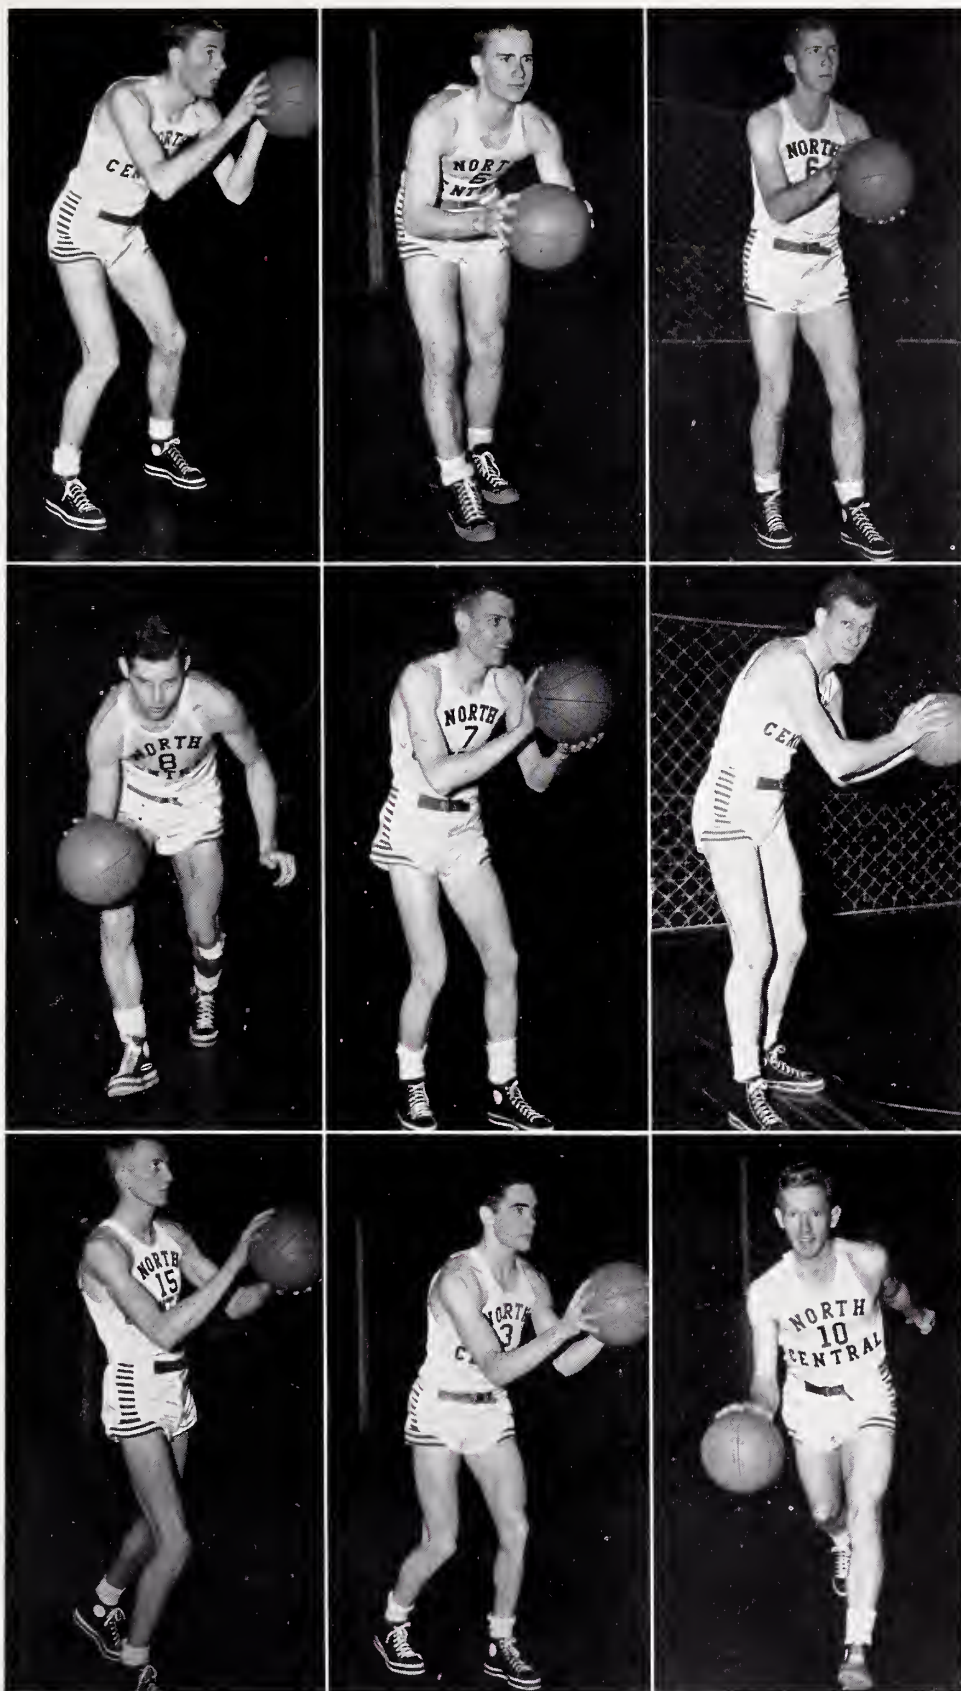

The most valuable player award was voted to Bob Weldy, who proved his merit by playing 533.5 minutes throughout the season.

After completing a long season of duel meets, Coach Hel Henning's tankers swam their way to a second place in the Little Nine swimming meet held at Augustana.

In taking the number two position in the conference the Cards smashed two CCI records. Bob Koenitzer, outstanding NCC natator, clipped 15.2 seconds off the old CCI 150 yard Back Stroke mark, setting a new record at 1:42.0. The 400 yard relay team composed of John Koenitzer, Capt. Jim Ferch, Paul Retzlaff, and Bob Koenitzer knocked 5.2 seconds off the old record in establishing the new 3:59.6 mark.

Winning one of ten meets in the dual campaign, the swimmers showed a steady progress for the better as the season wore on. Individual times were lowered by ten and fifteen seconds in some cases under the excellent tutelage of Coach Henning

Bob Koenitzer paced the team. He collected first place in his specialty, the back stroke, in nearly every meet. At the Central Collegiate Conference meet held at Michigan State College, Bob placed third in the 150 yard back stroke, swimming against the toughest competition in the Midwest.

Three NCC pool records were broken this year. Navy Pier broke the 300 yard Medley Relay, 200 yard Breast Stroke, and 400 yard Freestyle records in the first meet of the season. These same three marks were later lowered by Augustana.

The future looks bright for the swimming team with Bob Koenitzer, John Koenitzer, Paul Retzlaff, Allen Beyler, Peck Irwin, and Jim Neuman returning next year.

## WOMEN'S SWIMMING TEAM

Competition was hard to find this year for North Central's women's swimming team. Out of 20 schools contacted, only one school replied that they had a women's swimming team this year capable of meeting the Cardinal mermaids.

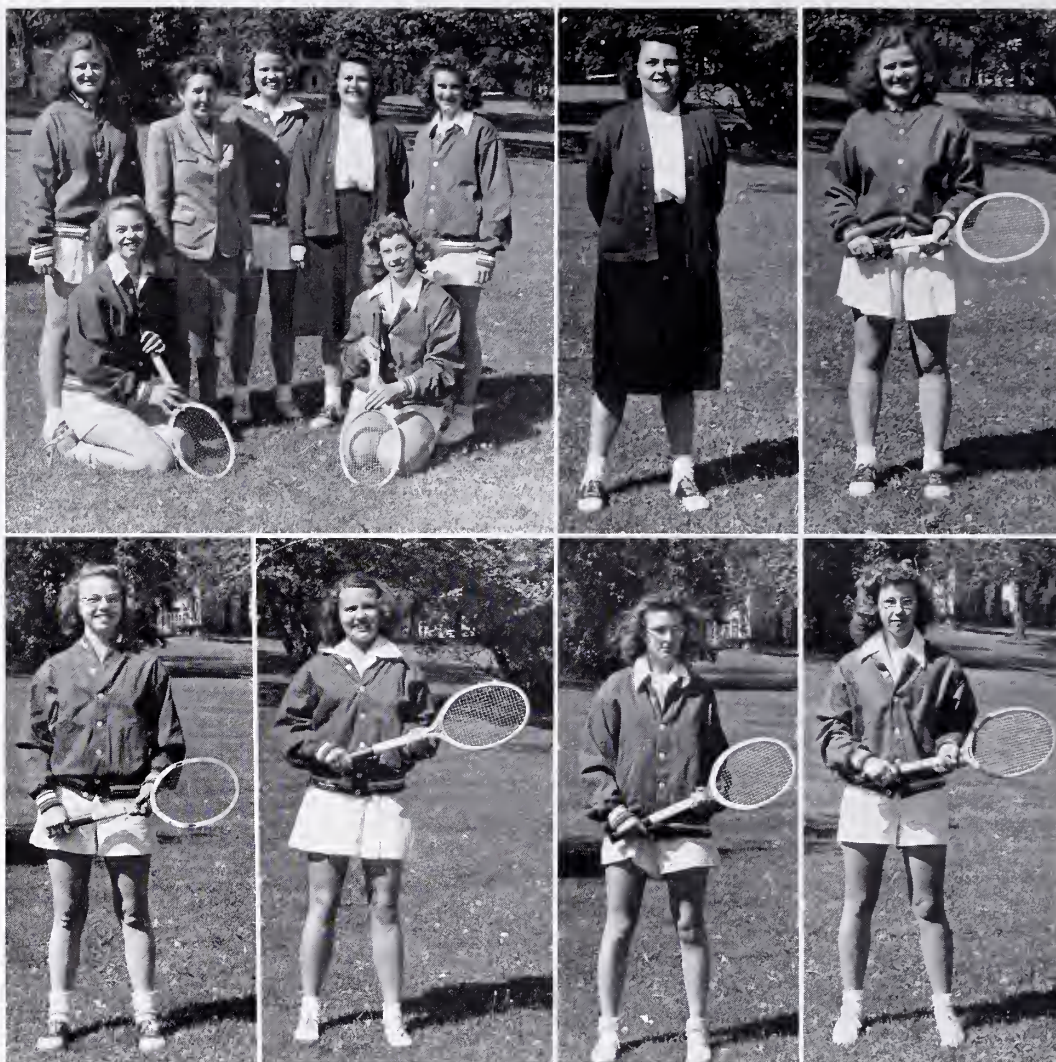

At the meet held in the University of Chicago pool, our swimmers were edged 36-29. Monie Kinney won the 20 yard backstroke, and the medley relay team, composed of Joanne Johnson, Monie Kinney, and Sally Rilling also placed first. Opportunity to even this series was given on April 2 when the two schools met in the Merner Pool.

Connie Langher, freshman freestyler, was elected captain of the team.

Coached by Mrs. Jane Potter the swimming team had four returning members from last year's team. They were Fay Knoll and Monie Kinney, backstroke; Joanne Johnson, freestyle; and June Bilek, breast stroke. They were supplemented by Connie Langher and Margaret Nelson, freestyle; Sally Rilling, breast stroke; and Rose Hodel, diving.

Handicapped by inadequate time for preparation, the women's tennis team got off to a mild start and finished the season with a three-win—five loss record.

Monie Kinney and Betty Schloerb salvaged some glory for the girls when they smashed their way to second place in the state doubles tournament held at Millikin University, May 7 and 8. In the singles division Betty Lou Menzel reached the semi-finals.

The tennis team was comprised of Monie Kinney, Betty Schloerb, Betty Lou Menzel, Elinor Erickson, and Willie Hammond. They were chosen as the result of a round-robin

tournament in which all girls interested in tennis were invited to participate. Edith Schmidt was the manager.

Coached by former Card tennis great Chuck Evert, North Central's racqueteters smashed their way to second place in the College Conference of Illinois. In the overall season picture the team compiled a record of seven wins against four defeats.

Don Haas was the Cardinal's number one seeded player. Howie Kersting, Dick Tholin, Ted Mason, Herb Keil, and Bill Wunder followed in that order.

Longest meet of the year was against Beloit. Starting at 2:30, it wasn't until 8:30, after six hours of solid playing, that the lights were turned off in Merner Field House.

In the conference meet at Elmhurst NCC's number one doubles team of Haas and Kersting placed second in Division I. Tholin and Mason won Division II.

## INDOOR TRACK

Coach Les Belding's well balanced indoor track team piled up 340 2-3 points in five track meets this winter. With such returning lettermen as Anderson in the shot, Burch in the dashes, Meloney in the distances, Koten and Meyer in the middle distances, and Rumsfeld and Stelling in the hurdles, the squad, bolstered by many newcomers, was well rounded.

Individual performance honors go to mighty Tiny Anderson, who set a new indoor shot put record for North Central. In the Midwest Track Meet Tiny got off a 46 feet 7 inch heave to break his former mark of 45 feet 2 inches set earlier in the winter. A consistent winner in the dual and triangular meet campaign, Anderson placed second in the Illinois Tech Relays in Chicago and second in the Midwest Track Meet at Merner Field House.

Captained by Bill Rumsfeld, the thinclads got off to a flying start and collected nine first places in their first meet with Morton J. C. and La-Grange, J. C. Burch and Meloney each won two events with Burch taking the 60 yard dash and 60 yard low hurdles, and Meloney winning the mile and 880. Anderson set a new indoor record in the shot put. Other blue ribbon places were won by Rumsfeld in the high hurdles and

Miller in the broad jump. Marauski and Urbauer tied for first in the high jump while the eight lap relay team composed of Rothrock, Ienello, Meyer, and Koten completed the circle of firsts.

Running on the Polo Field in the Chicago Armory didn't help the Cards as they lost to Loyola the next week. Firsts were compiled by Anderson, shot put; Stelling, high hurdles; and Nolan, pole vault.

Back on the Merner Oval again found the Cards geared for another smashing victory. This time Morton J. C. and Elmhurst were the victims. Burch and Meloney again were double winners. Completing the list of NCC first place winners were Rumsfeld, highs; Ebinger, two mile; Anderson, shot put; Straughn, pole vault; and the eight lap relay team. Seconds were filled by Burch, Stelling, Koten, Theuer, Countryman, Shilt, Baumgartner, Pierson, and Marauski.

A slight weakness in the field events cost the Cards a victory over DePaul. Rumsfeld, Anderson, and Meloney captured first places. Dunning tied for first in the pole vault. Finishing second were Ienello, Rumsfeld, Theuer, Koten, and Ebinger. North Central's eight lap relay with

Burch, Meyer, Theuer, and Rothrock running provided an exciting climax to the meet as they hit the tape a stride ahead of DePaul.

Against the University of Illinois (Navy Pier), the thin clads rolled up their largest margin of victory. Winning eleven first and ten second places out of twelve events, the Cards had little trouble in coasting to victory. Crossing the finish line first were Countryman, mile; Ienello, dash; Meyer, 440; Koten 880; Rumsfeld, highs and lows; Anderson, shot put; Ebinger, two mile; Dunning, pole vault; Sinderson, high jump; and the eight lap relay team of Rothrock, Hoffman, Urbauer, and Meyer.

Biggest event on the indoor track schedule was the Midwest Invitational Meet held at Merner Field House. The eleventh annual track carnival attracted 26 schools from six states. Wheaton won with 47 14-15 points, followed by Iowa State Teachers 36 1-10, and Adrian (Michigan) 22 3-5. Competition in this meet is reaching a higher caliber each year. Records were broken this year in the shot put, pole vault, and two mile relay. Christopher of the University of Chicago vaulted to 13 feet 8 inches, breaking former NCC track great Lloyd Siebert's mark of 13 feet 4 3-4 inches set in 1937.

Coach Belding's speedsters also ran in the AAU meet in Chicago, the Illinois Tech Relays, and the Chicago Daily News Relays.

# 1948 OUTDOOR TRACK

Captain "Tex" Hoesch took individual honors for the team. Running the mile and two mile, the versatile senior accumulated many points throughout the long campaign. Shot-putter Tiny Anderson also accounted for much of the glory brought to the team. At the Central Collegiate Conference Meet held in Milwaukee "Tiny" heaved the shot far enough to take a fifth place among the strongest men in the Midwest.

In an inner-class track meet held late in the spring the freshmen compiled 85 points to the sophomore's 56, the junior's 14, and the senior's 11.

In the season's opener against the University of Chicago Anderson picked up a first in both the shot put and the discus throw. Hoesch gained a second in the two mile run, Rumsfeld a second in the 126 yard low hurdles, and Lehker a second in the high jump for the majority of NCC's 36 points. The University of Chicago had 93.

A week later the Cards met Illinois Wesleyan at Elmhurst and lost a close meet  $70\frac{1}{2}$  to  $60\frac{1}{2}$ . First places were picked up for North Central by Koten in the 880, Rumsfeld in the highs, Anderson in the shot, Wehrli in the broad jump, and Lehker in the high jump.

Traveling to Bloomington the next weekend did not help the faltering speedsters and they returned home on the short end of a triangular meet with Millikin and Illinois Wesleyan.

At the Beloit Relays Tex Hoesch galloped to a 4:33.8 mile to win the event. Anderson held the meet record for ten minutes in the shot put with a 47 feet 5 inch throw. Wheaton's Peterson got off a 48 feet 6 inch toss to set a new record. Sprinter John Prescott placed fifth in the 100 yard dash and the 440 yard relay team of Arden, Maechtle, Burch, and Prescott finished fourth.

With Anderson, Burch, Koten, Meloney, Meyer, Rumsfeld, and Stelling returning next year, a faster, better balanced track team should result.

## GOLF 1948

Driving and putting their way to a Little Nine Conference Championship, the Card golfers racked up a season record of five wins and four defeats. The 1948 Conference meet was held at Elmhurst. Shooting a combined team score of 655, the Card quartet, composed of Don Darfler, Wilbur Waggoner, Bob Geils, and Dale Schultz, finished four strokes ahead of Millikin. Darfler shot a 159 to pace the Conference meet. Waggoner had a 163, Geils shot a 165, and Schultz holed out with a 168. Captain Darfler was medalist in the Lewis Institute, Elmhurst, and U. of Chicago meets. Home matches for the golfers were held at the Arrowhead Country Club. The team was aided by Sollenburger, Sinderson, and Morrison.

## 1948 BASEBALL

Coach Herb Heilman's Cardinal nine split even in games won and lost through the 1948 baseball season, winning six and losing the same number. Two games were rained out, one against the University of Chicago and the other scheduled against Millikin. Conference standings placed North Central in a tie for second with Illinois College. Each school had six victories and two defeats in conference play for a .750 percentage. The high light of the season was freshman pitcher "Lefty" Andrew's no-hit no-run victory over Elmhurst.

The season opened against the University of Chicago on Stagg Field with the Cardinals receiving the short end of a 17 to 5 score. This started the red and white on a losing streak that lasted through the Northwestern and Augustana games. Losing to Augustana six to one was North Central's entry into conference play. The Redbirds then met Wheaton and found the hitting power they needed to win, twelve to seven.

At home for the first time of the season the Cardinals defeated Lake Forest, Augustana, and Elmhurst before again tasting defeat themselves, this time to Illinois Wesleyan.

Invading Wheaton for the second time the North Central nine went back into the win column by beating the blue and gold in a closely fought contest, eight to six. Northwestern

stopped by Naperville long enough to trim our red and white team before Coach Heilman's nine traveled to Elmhurst to take their last victory of the season. Freshman pitcher "Lefty" Andrews pitched in perfect form to shut out the Elmhurst team seven to nothing. The seasons finale was Lake Forest's victory over the Cardinals.

Pitcher Burke Dundas led the hitting department with a season average of .357, followed by senior outfielder Don Kerins lusty .333. Senior Dick Smith slugged out a .318 percentage. Other reasons for North Central's high conference standing is third baseman Al Benedetti's .288 average, followed closely by freshman catcher Charles Besson's .263, and freshman pitcher "Lefty" Andrews .235 average for the season.

## W. A. A.

The Women's Athletic Association is governed by a Board of Control comprised of the administrative officers and the heads of the different sports. These girls are elected at a spring election in which all W.A.A. members participate. The advisor for the group is Miss Cleo Tanner. Wilma Biederman Sollenberger was president for the first semester, and when she graduated at mid-semester, Shirley Rosendahl, vice-president, took over her duties. Ruth Cobb was the secretary and Shirley Knopf was treasurer.

Soccer was the first sport of the season and for the second consecutive year the Class of '49 won the intramural tournament. A soccer banquet culminated the season. It was held at the Rafter House and at this time the pledges received their pins. The soccer cup was awarded to the illustrious seniors and the all-sports cup, which is given to the class who wins the most points in the various sports, was awarded to the junior class. Several girls who had the required amount of points were awarded their letters.

In order to receive a letter, a girl must have participated in 12 sports . . . a minimum of 8 team sports and 4 individual. For a pin, 16

sports must be actively participated in. The final award, given at the time of graduation, is a scholarship and goes to any pin woman who has at least a "B" average.

In February the girls went over to Aurora College for a basketball playday. Wheaton, Aurora, and North Central were entered and North Central walked away with top honors, winning the majority of games played.

In March North Central sponsored a play day in which Chicago Teachers, Aurora College, Wheaton, North Park, and North Central participated. Basketball, volleyball, badminton, tennis, and swimming were enjoyed by the girls along with a noontime banquet.

The basketball banquet was held in March at which time the juniors were declared Basketball Champions. New members were received into the organization after performing initiation stunts. That was *one* way of cleaning the W.A.A. Room!

The tennis tournament this year was won by Joyce Keller, sophomore. Baseball concluded the sports calendar. Girls, if it's action you want (and plenty of it) join North Central's Women's Athletic Association.

## SOCCER

The first intramural sport in W.A.A. is soccer, a hard-playing game which is comparable to football in men's sports. This year, with less players than any other class, the Senior team won the soccer tournament. Elusive dribbling by Monie Kinney and Scotty Mullins and heavy backfielding by Donna Schriver and Martha Himmel enabled the Seniors to thoroughly trounce the other classes. Aiding the above mentioned Senior players were Regina Wacker, Joyce Gauerke, Joy Kitzenberger, "Clem" Schmidt, Carol Jelinek, and Alice Holmes.

## VOLLEYBALL

Volleyball was enthusiastically received by the girls as a diversion from the breath-taking soccer games. After a few rounds of hard playing, however, they discovered that volleyball could be just as breath-taking. With spiking, tremendous serving, and j-u-s-t dropping over the net, the volley ball proved to be a hard ball to manage. But again, still with fewer players, the Seniors won the tournament. The two teams entered by the Juniors each won a high place.

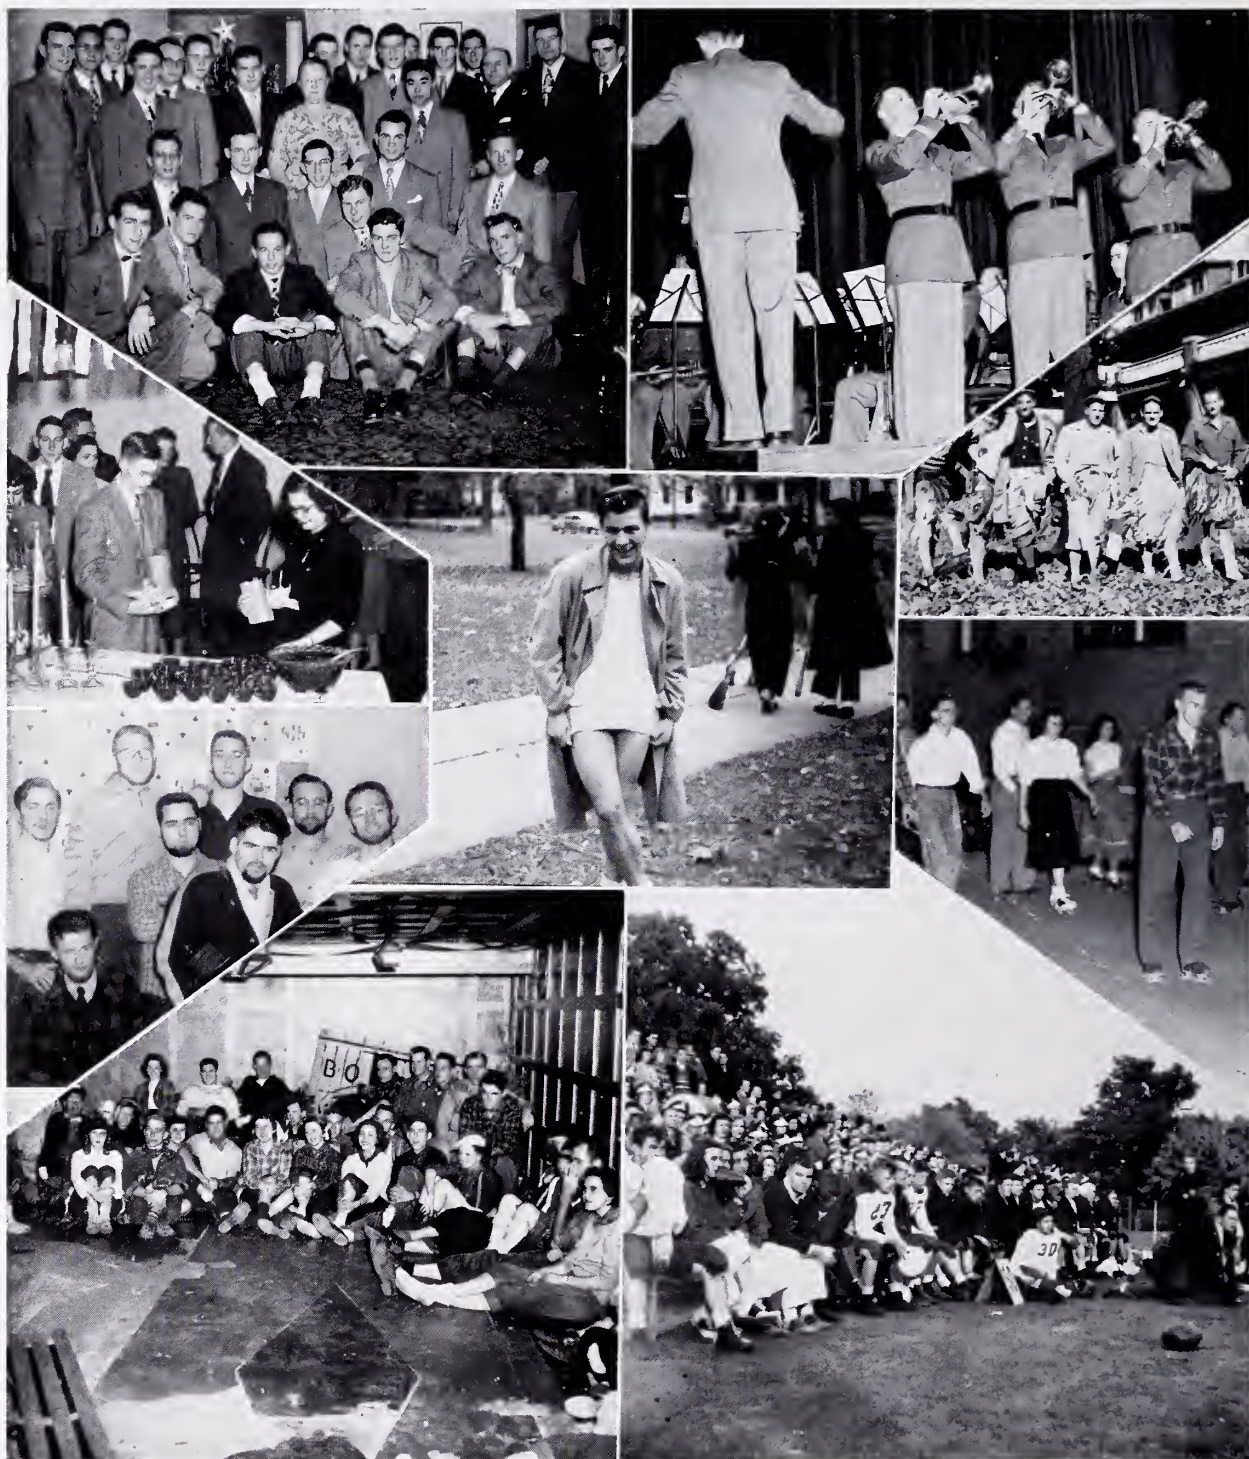

## TENNIS

At the beginning of the new year, a tennis tournament was held for all willing W.A.A. girls. The losers in the first tournament were paired off for a second Losers' Tournament. The winner of each game had to win two out of three sets. The best player in the Winners' Tournament is awarded a tennis cup. This year's winner is Joyce Keller.

## CHEERLEADERS

### BAND

A great deal of school spirit is accounted for by the college band. Playing for football games, basketball games and at chapel programs has again established North Central's band as an active campus organization.

Beginning with the first week of school, the band led all other groups to action by lending their melody and pep to the "never-tiring" frosh torch-bearers. The seasons found the band playing a patriotic concert on Armistice Day, giving a chapel program to help make the recently instituted Spring Arts Festival a success, and even allowing a N.C.C. rendition of the Wheaton alma mater. Besides being represented en masse, the band members appeared in solo and ensemble groups in class and school activities and in deputation teams throughout the year. With a full program of activity, the bi-weekly practices have emerged more fun than work.

The growth in quantity and quality of this musical group has aided a great deal in the accrediting of our School of Music. Hats off to Prof. Bjorlie and his corps of musicians, from the low trombones to the high clarinets.

### ORCHESTRA

Director Lauritz Bjorlie has again presented North Central with a competent orchestra. Many of the players were members of last year's organization, but a few players were new recruits.

The orchestra played at many college functions, either as a whole group or as individual sections. Members have aided many chapel programs and helped several college shows . . . for instance, the sophomore talent show "Moonlight Rhapsody" by Club 51.

All students who are able to play an orchestral instrument are invited to join this select group of players. They meet every Tuesday and Thursday at 4:00 p.m. to practice on Pfeiffer Hall stage.

## ★ STUDENT COUNCIL ★

North Central College is fortunate in having an able and efficient student government, represented by our Student Council. The Council acts in the regulation of all matters pertaining to student activities, the expression of student opinion to the faculty on any subject pertaining to the college, and cooperation with the faculty in maintaining a high standard of student body conduct.

The Council is composed of elected representatives from the four classes, the Christian Associations, the Athletic Association, the Forensic Board, the Chronicle, and a Faculty Advisor. Together, they cooperate in bringing a true measure of democratic government to the campus of North Central.

This year's Council, under the leadership of Ken Truckenbrod, has been busy attending to such student affairs as Homecoming, Woe Week, College Day, and the tug-of-war. Also, special projects have been undertaken, resulting in the purchase of a Public Address system for Nichols Hall and a new movie screen for Pfeiffer Hall.

North Central College, through the Student

Council is participating in the National Student Association. The N.S.A. is trying to improve social, cultural, economic and governmental conditions on college campuses. Many worthwhile suggestions have come from the conventions.

A Public Relations Board has been formed due to the efforts of the Student Council. This board is under the direction of the Administration and will enable North Central to become better known among inter-collegiate and outside groups.

The Student Councils of Wheaton and North Central have continued the work begun by former councils in promoting better understanding and more wholesome rivalry between the two schools. Joint meetings have helped in this by providing personal acquaintances with members of each student body.

Our Council has been very active during the past year and many worthy projects have been completed. We, as students, by cooperating with our Council and by working together insure the future success of our Student Government.

## SOCIAL ★ COMMITTEE

The College Social Committee is composed of representatives from the various college organizations and the four classes. Either individually or collectively, backed by the power of the Social Committee, these organizations have sponsored the Freshman Reception, the Christmas Pre-vue, the Sadie Hawkins party, the County Fair, and the Mother's Day Tea.

Week-ends and evenings have been successfully filled by the "splash parties", roller skating, ping pong parties, swimming, and other entertainment.

A major contribution to the program of the committee is the work done by Miss Betty Gibson, secretary to the Dean. She has arranged for tickets and busses to the outstanding plays and operas of the season in Chicago for those North Central students who wish to take advantage of this opportunity.

Headed by Miss Cunliffe, this loyal Social Committee has rounded out the activities of North Central students.

# BOARD OF CONTROL

Want to know what happens to your student activity fee? Consult the Student Finance Board. For years they have had charge of allotting large sums of money, with the approval of the Student Council. Appropriations are made to various activities, which include Student Council, Chronicle, Spectrum, Cardinal, social committee, musical and dramatic organizations, lectures and concerts, forensics, athletics, and the four classes.

## STUDENT FINANCE BOARD

*Standing:* W. Claus, K. Truckenbrod, G. Maechtle.  
*Seated:* J. Spreng, Prof. Kerr, J. Voss.

## PUBLICATIONS BOARD

*Standing:* R. Harrison, W. Schendel.  
*Seated:* A. Holmes, Prof. Kerr, K. Arden.

Meeting only when necessary, the Publications Board irons out all the problems concerned with the publishing of the three college editions. The editors and business managers of The College Chronicle, The Spectrum, and The Cardinal, along with the faculty advisors, compose the board. The duty of the group is to regulate the finances and work of the publications. Its last duty as a group is to recommend students to fill the positions for the following year.

## ATHLETIC BOARD OF CONTROL

Promoting and regulating the intercollegiate and intramural activities is the object of this board. They supervise the policies concerned, and approve the coaches' recommendations for lettermen. The board checks the incomes and expenses of the Athletic Department.

The whole student body is included in the membership of the Forensic League. The controlling board for all the speech activities, the Forensic Board elects its officers in the spring. The president for 1948-49 was Gordon St. Angelo.

## STUDENT UNION BOARD OF CONTROL

Guiding and controlling the actions of every student who uses the Student Union Rooms, the Board of Control is constantly busy. Lack of size and equipment in proportion to the large amount of students makes it necessary for enforcing rules of conduct for the room. Improvements are constantly being added and during the Christmas holidays, the room was redecorated. Prof. Kerr is the manager of the Union Room and his assistant this year was Paul Thede.

# SIGMA TAU DELTA

Sigma Gamma is the honorary chapter of the English fraternity, Sigma Tau Delta, at North Central. Installed in 1932, its membership is limited to those students who are majoring in English, who are actively engaged in teaching English or literary production, and whose scholarship is in the upper third of their class.

Monthly meetings produce reports and original manuscripts which are criticized by fellow members. Outstanding compositions are sent to the Rectangle, the fraternity magazine, for publication.

The officers for 1948-49 are President, Vivian Berg, Vice-President, Becki Van Adestine, Secretary, Elaine Gasser, Historian, Chuck Wiltfang, and Advisor, Miss Elizabeth Wiley.

*Standing:* D. Freshley, K. Truckenbrodt, P. Ebinger, K. Arden, L. Buss, H. Stelling, L. Bloede, C. Wiltfang.

*Seated:* P. Eckhardt, B. Van Adestine, V. Berg, Miss Wiley, E. Gasser, V. Otto.

*Seated:* S. Juten, J. Siegert, Prof. McClure, Prof. Deabler, S. Bryan, Prof. Heinmiller, E. Gasser, A. Michael.

Individuals and world affairs are the targets of interest for North Central's Alpha Chapter of Pi Gamma Mu. They diligently follow their motto "Ye shall know the truth and the truth shall set you free."

The works and traditions are carried on by its members, each of whom must have a scholastic standing of B, a major in philosophy, psychology, commerce, history, sociology, economics, or political science, and 20 hours completed in any one of these fields. Initiation is held twice a year.

Humans, either individually or as a group, form the basis for discussion. Their problems are worked out, discussed, and passed along. To further this work outside speakers are brought in, trips to places of interest are taken, and papers are written by the members.

### WOMEN'S ADVISORY BOARD

The Women's Advisory Board includes the president of each dorm, the president of Dormless Damsels, and their advisor, the Dean of Women. They meet alternate Thursdays and discuss problems encountered by the women students. This board was active in bringing to the campus outstanding women who gave informative talks on problems of importance. They also served as a clearing house to promote the well-rounded campus life of North Central's women students.

#### SOPHOMORE WOMEN ADVISORS

Each year ten sophomore women students are chosen by the Dean of Women to live in the freshman dormitory and advise the new students in their first weeks of college life. These sophomore counselors meet with the Dean once a week the first semester and discuss with her the problems that have occurred in the dormitory. Then, a few days later, they meet with the girls under their care and talk over with them all phases of college adjustments. This year the sophomore advisors have done a worthwhile and commendable job.

### RADIO CLUB

The North Central College Amateur Radio Association, organized last year, has taken large steps in its infancy. During the past year its technicians have constructed and operated an amateur radio station. This year the "hams" completed a carrier current broadcasting station to cover the city of Naperville. Operated by members of the radio club and the speech department, the station, WNCC, was designed to acquaint students with operating and programming procedure and to serve college students and residents of Naperville.

Officers of the club are Ivan Wiley, president; Jim Blakeslee, vice-president; and Bob Rhoades, secretary-treasurer. Professor Alexander is the advisor.

### RAILROAD CLUB

A new organization also, Railroad Club was not long in gaining several members. The attic of Goldspohn Hall was utilized as the setting place for a model railroad. John Eigenbrodt was elected as president, plans were laid, and the club soon began to function. At the present time a complete model railroad may be seen at Goldspohn Hall. Drop up and see it some time.

### Y.M.C.A.

The purpose of the Y.M.C.A. on N.C.C.'s campus is to help students to find a vital Christian experience and channels for expressing and developing that experience. The program that puts this into action is a wide one, one that ranges from Religious Emphasis Week to vocational guidance and social service.

The first phase of this program that almost every student runs into is Freshman Week with its parties, Big-Little Brother Banquet and orientation program. Later in the year come other major programs. Religious Emphasis Week is one of these, a week in which we are made aware of the need for Christian decisions about life. Shortly after this came a new program this year called Political Emphasis Week with prominent political leaders appearing on the campus. Few people will forget Senator Douglas' illusionary debate. During the winter the program reaches out to help needy students in the world thru the annual W.S.S.F. Drive. The final major program of the year was the

Second Annual Career's Conference with it's seminars and counseling periods to help students in vocational problems.

In addition to these periodic emphases the Y.M.C.A. has a well rounded, year around program. This includes religious activities like silent chapel and vespers every week and some Monday chapels. One of the most active programs is that of social service. Thru this avenue the "Y" sends out entertainment shows to hospitals and children's homes and conducts weekly Gra Y clubs in the local grade schools. In this way the community is served and students are given leadership opportunities. The recreational needs of the campus aren't forgotten either for the "Y's" sponsor social activities ranging from record parties to square dances. Finally, an emphasis is placed upon Christian citizenship thru programs on political and racial problems.

All of these activities help to make North Central a Christian campus that is also awake to the problems and needs of our world.

### Y.W.C.A.

"Pass that red paint . . . did you get enough cardboard? . . . is the meeting place cleared yet? . . . how is the expense money holding out, Ruthie?"

Here you get a good picture of two minutes of activity among any members of the YWCA Cabinet. They might be working for Political Emphasis Week, or planning Upper Room meetings—the work is as varied as that, and as much fun. There's a place for everyone in the "Y".

The Young Women's Christian Association has the yearly responsibility of making all the new Freshman girls feel very much at home, and the great job they do at the Big-Little Sister Banquet will be vouched for by any who felt the first green pangs of being a Freshie. This Banquet only starts off a whole year of important events which make our College Live, carried out

under the sponsorship of President Ruthie and the various committees.

Other activities include the important Religious Emphasis Week, Heart Sis Week, Y Nite, Deputation groups, Chapel programs, and College Day displays.

Any who have worked on the various committees of the Y.W. Cabinet or have had close connection with the duties performed by this all important organization.

This year's officers, under the faculty guidance of Mrs. E. Dute, are: Ruth Frederick, president; Martha Himmel, vice-president; Joy Ramsdale, secretary; Dorothy Eigenbrodt, treasurer. Congratulations for a wonderful job on North Central's campus.

## C. Y. F. COUNCIL

The Campus Youth Fellowship is an important group whose main concern is the religious life of the college students. The C.Y.F. Council plans the Student Sunday School and the evening vesper Sunday night at either Grace or First Evangelical Church. One Sunday a month a supper meeting, labelled Food, Fun, and Fellowship, is enjoyed. This year's officers were: President, Wayne Hess, Vice-President, Herman Cook, Secretary, Phyllis Ebinger, and Treasurer, Bill Schmidt. Work and service are accomplished by the fine commissions of missions, social action, spiritual life, recreation, and publicity. Each commission has its own student co-chairman, commission members, and faculty advisor. The entire group is advised by Doctor Deabler and Professor Himmel.

## ★ SEAGER ★ ASSOCIATION

"And how shall they preach, except they be sent?" And approximately 105 Pre-theological students comprising the Seager association will be sent out in the coming years to fill pulpits across the nation. The group has been active in deputation work, supplying speakers, singers, and leaders for services in churches in this area. Personal work in slum regions, hospitals, and missions in Chicago and Aurora has provided another valuable source of inspiration and training for the members. In addition to this ministry, the group meets monthly to discuss pertinent problems of the minister-to-be under the guidance of College and Seminary faculty members. These meetings are preceded by a devotional service led by members of the group. Professor Himmel serves as Faculty advisor.

The general purpose of the Student Volunteers is to create interest in the student body as to the mission work of the Evangelical United Brethren Church.

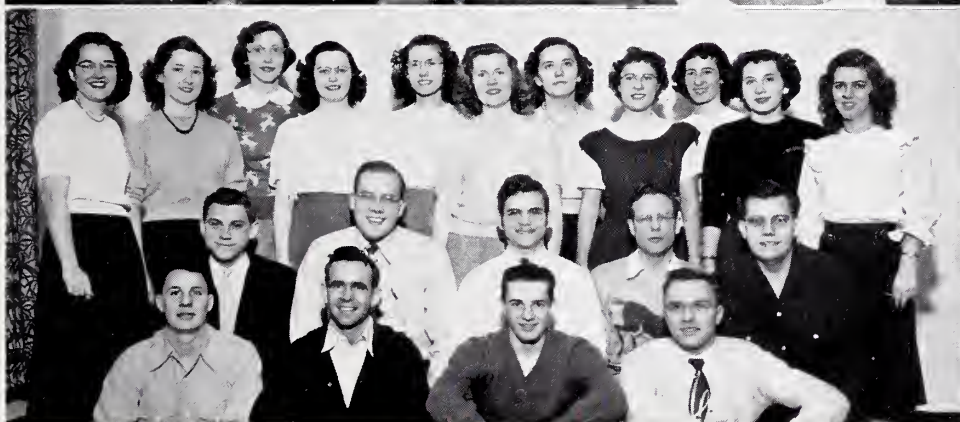

Anyone who is interested in going into missionary work is eligible as a member. This organization has promoted such projects as sending school supplies to Puerto Rican children and sending funds for missionary work in Africa. Some meetings feature guest speakers—visiting missionaries who inspire and challenge the members by their description of mission work. Many of North Central's students have gone out into mission work and have become well known in this field.

*Front Row:* Grandlienard, Kennaugh, Gilman, H. Utzinger.

Every Sunday morning a group of twenty-two students take off in a caravan of cars for the Mooseheart School at Mooseheart, Illinois to teach Sunday School. Mooseheart is an orphanage founded and maintained by the members of the Moose Lodges throughout the United States. The Protestant children living at this school comprise twenty-two classes. The work of the N.C.C. students is to supplement the daily religious instruction given to the children at the orphanage. Many of the student instructors are Religious Education majors and are given an opportunity in this manner to practice some of the principles learned in the classroom. The successful chairman for this Y.M.C.A. project this year is Paul Gilman.

## ALPHA PSI OMEGA

Delta Epsilon is North Central's chapter of the national dramatic fraternity, Alpha Psi Omega. Students interested in dramatics who maintain a 1.5 average scholastically, who have participated in at least three one-act plays, and been a member of the cast or back-stage crew of one three-act play, are invited to membership in this exclusive dramatic group.

The primary purpose of this organization is to stimulate interest in dramatic art, and to provide an honor society for those excelling in that art. Members take an active part in costuming, managing, designing scenery, and acting in plays.

The aim of the organization is to develop poise and assurance on the stage. Lois Stauffer was elected to the presidency of the chapter this year, and Professor Oliver served as advisor.

### PI KAPPA DELTA

*Standing:* Kortenmeier, Freshley, Will, Tholin.

*Seated:* Holmes, Truckenbrod, Prof. Alexander, Prof. Oliver, St. Angelo, J. Korten.

## PI KAPPA DELTA

The strongest National Forensic Fraternity in the United States, Pi Kappa Delta is composed of over one hundred and fifty chapters. Iota, North Central's chapter, is a member of the largest province of the fraternity, the province of Illinois.

Membership is gained to this select group by participating in debate for one year, and being victorious in over one half of debates which he enters.

All members of the fraternity are permitted to wear the honorary key, different jewels indicate the degree of proficiency the member has obtained. The first is the fraternity degree; second, the degree of proficiency; third, the degree of honor; and fourth, the degree of special distinction.

Under the capable leadership of Professor Oliver and Professor Alexander, the members participated in various debates and oratory contests with their usual success.

## VARSITY CLUB

A touchdown, a basket, a fifty yard dash, a high dive . . . all are familiar terms to the men of the Varsity Club. The Varsity Club is composed of lettermen in football, basketball, track, tennis, or swimming. The club's principle purpose is to uphold the honorable sportsmanlike spirit engendered through participation in these various fields of sports.

The main project of the club this year was the purchasing of a television set for the clubroom in the fieldhouse. The club sponsored a pigskin ramble to start off the football season.

Hal Thornton presided over the meetings of approximately fifty members. Vice-President was Frank Wolgast, Secretary, John Lubach, and Treasurer, Leo Hoffman.

## INTERNATIONAL RELATIONS CLUB

An infant organization, International Relations Club has already proved itself. The subjects of discussion are concerned with world affairs, problems of government, and international crises. The club meets every third Thursday of the month in the Y.W.C.A. room. During the year several members of the club journeyed to Munsing, Indiana for the Mid-West International Conference. Several speakers, including Edmond Torcotte, Consel-General of Canada, gave interesting talks. The club was lead this year by Bob Irion, President, Alberta Michael, Vice-President and Program Chairman, Paul Schafer, Secretary-Treasurer, and Dr. McGee, Advisor.

## SIGMA RHO GAMMA

"Music, maestro!" It is a Thursday night and as strains of Mozart, Fred Waring, or Bach pour forth from Pfeiffer Hall, everyone knows the talented and conscientious music lovers of Sigma Rho Gamma are holding one of their monthly meetings.

Sigma Rho Gamma is North Central's musical honor fraternity. Its membership includes not only students who are majoring in music, but also those who are interested in music and belong to another campus musical organization. Through this organization these students have a chance to get together and spend an evening studying music of foreign countries and American melodies, gaining new ideas of phases in music. Advisor of the group is Prof. Luntz and officers are: President, Jim Bloy and Vice-President, Marvin Peterson.

#### BETA BETA BETA

Beta Beta Beta is quite a mouthful of Greek letters but it stands for the honorary biological organization on the campus, which started in 1938 with eleven members and Dr. Eigenbrodt as the advisor. The aim of the society is to develop sound scholarship, to disseminate scientific truth and to promote biological investigation. Members are admitted on the basis of personality, character, and scholarship. Meetings of this organization take the form of talks or open discussions. Several outside speakers in this field were brought to the campus to conduct lectures on latest developments in the biological field. An event, most anticipated by the members, is the annual district meeting of the Tri Betas which is held in Chicago.

#### OFFICERS OF BETA BETA BETA

Don Stehr	President
John Eigenbrodt	Vice-President
Allene Ehlers	Secretary and Treasurer
Garth Smith and Clyde Gallow	Ushers

#### BIOLOGY CLUB

Formerly Zoology Club, Biology Club is maintained for those students who are interested in any field of biology. The group meets on the second Monday of each month in the Union Room, and both members and non-members are invited to attend and participate in the active discussions and debates. Dr. Eigenbrodt is the interested and enthusiastic advisor. Sponsored by Beta Beta Beta, the club gives a yearly tea. Don Stehr was the President for this year.

## HISTORY CLUB

The History Club, with Professor W. H. McClure as advisor, Don Miller as President, Elaine Gasser as Vice-President, and Jean Seagren as Secretary-Treasurer, has been working on a project to show the relationship of history to literature, religion, music, architecture, and other fields.

## COMMERCE CLUB

Informal initiations rate a plus in the Commerce Club. New members are thoroughly instructed in the ways of the club. Active monthly meetings serve to keep their interest pitched to the highest. Any student who has had six hours of commerce is eligible to join this group, one of the largest on the campus.

## COMMERCE KEY CLUB

Any student who has over twenty hours in commerce and maintains a B average is eligible for the Commerce Key Club. This is an honorary fraternity for those students who excel in commerce.

## DORMLESS DAMSELS

All girls living in private homes or commuting to college are considered Dormless Damsels. They are invited to join the organization and to share in its social activities, which are

similar to those of the dormitories. At the election of officers held in October, Becki Van Adestine was selected as President, Betty Ann Jacobson, Vice-President, Mary Bomberger, Secretary, Ann Oertli, Treasurer, and Connie Langher, Social Chairman. Miss Elizabeth Wiley is the club's advisor. Bi-monthly meetings are held Thursday mornings in the Y.W.C.A. room.

Last spring the Damsels gained fame and fortune with their All School Party "April Showers." This Christmas found the Union Room all aglow with a glittering Christmas tree, loads of tinsel, and even mistletoe, all arranged by the Dormless Damsels.

## WRITERS CLUB

"The house on the corner" is the center of much intellectual discussion and philosophy. The house? The White house. The discussion? Writers' Club. Any one in school is eligible to join this all school organization. Under the guidance of Professors White, Eastman, Noss, and the club officers, Warren Schuknecht, President, Phyllis Eckhardt, Secretary, and Dick Tholin, Treasurer, the members talk over business and submit manuscripts for constructive criticisms.

## FRENCH CLUB

"Allo! Allo, Papa! Ess zat you, eh? Thees iss Nanette, Papa. I have joined "Le Cercle Francais" here at school. Mlle. Sicre is our very able advisor. Le presidente is Dee Freshley, le vice-president and program chairman is Paul Schaffer, and le secretary-treasurer is Mary Ritzman."

## HOME EC CLUB

How can I become well groomed? How can I best provide nutrition in the daily diet? Such are questions that are studied and answered by the Home Economics students in the meetings of the Home Economics Club. The officers for the year were: Margaret Marshall, President, Betty Jane Wagner, Vice-President, Carol Passow, Secretary, Dorothy Emholtz, Treasurer, and Lorraine Frank, Publicity Chairman. The advisors of the academic and social club are Miss Quilling and Miss Jurrens.

## SPANISH CLUB

Another new organization on campus is the Spanish Club. It is under the advisorship of Miss Bergquist. It is open to students who show a sincere interest in the Spanish language, its people, and its culture.

The officers of the year were: President, Jean Kotten, Vice-President, Mildred Schaetzle, Secretary, Betty Maser, and Treasurer, Chuck Wiltfang.

## WHO'S WHO AMONG STUDENTS

Who's Who Among Students In American Colleges and Universities is a directory of the outstanding members of the senior classes in all colleges and universities of the United States. Primarily, it is published as a source book for industries and businesses who are interested in, and have positions for, graduates with specific qualifications.

Candidates are selected on the basis of scholastic status, actual worthwhile contributions to the college, and personal integrity, honesty, and character. The twelve seniors selected this year are: Marvin Peterson, Monie

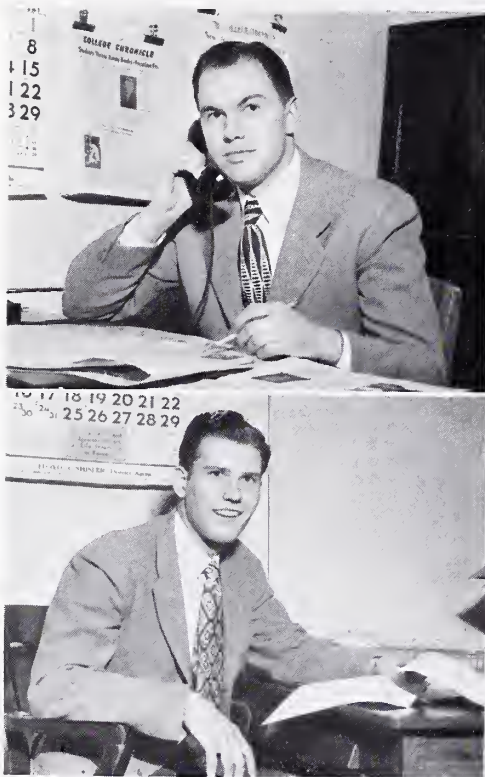

Gamertsfelder Kinney, Martha Himmel, Richard Tholin, Donald Miller, Albert Straley, Ruth Frederick, Kelvin Arden, Kenneth Truckenbrod, William Rumsfeld, Warren Otto, and John Eigenbrodt.

## HONOR SOCIETY

Honor Society was formed for the purpose of recognizing persons of superior scholarship and character among students at North Central College. The members of the group are elected by the faculty. Eligibility rules consist of being a member of either the second semester junior class or of the senior class, and having well-developed ideals of honor and citizenship. At a chapel program early in the spring the new members of Honor Society received their membership keys from the College. This scholastic organization is a challenge for the rest of the student body, especially underclassmen.

# THE COLLEGE CHRONICLE

KELVIN ARDEN  
*Editor-in-Chief*

WAYNE SCHENDEL  
*Business Manager*

Guided by Editor-in-Chief, Kel Arden, an efficient Chronicle staff turned out a weekly newspaper that represented top grade journalism. Professor Eastman, editorial advisor for the paper, aided the staff in producing an eight page tabloid form newspaper which met with instant popularity by the student body.

Attractive columns, regular features, and an abundance of pictures helped the CHRONICLE maintain its popularity throughout the year. Kel Arden's timely editorials stimulated thought and expression. Staff photographers Wayne Larson and Jim Blakeslee provided one hundred per cent picture coverage of all important campus events.

Keeping the CHRONICLE "out of the red" was the job of Verne Martin during the first semester. At the start of the second semester, Verne relinquished his position as business manager to Wayne Schendel. Both men did an efficient job of securing advertisements and keeping accounts balanced. Golden Corn by the Colonel, a humorous column edited by the business manager, helped to keep readers advertisement conscious.

Keeping one jump ahead of the rest of the world, Lee Ester, campus editor, posted his assignment sheet each Wednesday. He told the reporters where they could make a "scoop", find a "break" or secure a "follow-up." Jack Koten, another permanent office fixture, directed his spare time activities to fulfilling the job of copy editor. Taking all the news and putting it together in the form of a newspaper was the job of Michael Linz, handyman with the scissors and scotch tape. The efficient sports coverage in each issue of the CHRONICLE was the result of the hard work of Joe Miller, genial

sports editor. Feature editor Lou Bloede spent his spare moments dreaming up stories with the human interest appeal, while Faye Philipp, social editor, kept the college crowd informed in the social realm.

Keeping the copy moving toward that Monday morning deadline was the responsibility of Evelyn Peterson, head rewriter. The job of circulating the 1200 CHRONICLES published each week was capably handled by circulation manager Harold Schendel and his crew of seven. Every Wednesday afternoon, his staff distributed the folded newspapers via the red boxes scattered throughout the building.

Rounding out the staff we have that core of efficient reporters, those fifteen gallants who arm themselves with a pencil and boldly gather the news. Down the stairs . . . To the CHRONICLE office. . . initial their assignment . . . and they're off to discover the latest at NCC. With an eager gleam in each bloodshot eye, a chewed off pencil and shabby notebook in hand, they corner their victim and scrawl down some illegible notes which materialize into Wednesday's news.

Comments, both favorable and unfavorable, have been made about the CHRONICLE this year. The vast majority, however, have been favorable. The CHRONICLE achieved a new record when they published a twelve page edition of Homecoming. This edition represented the largest CHRONICLE ever published. The zany April 1st edition should also be remembered for its excellent humorous coverage of the impossible. From all standpoints, this has been a good year for the CHRONICLE.

# THE 1949 SPECTRUM

"The Sage Of The 49ers" . . . just a dream in May of 1948 became a reality as the months proceeded. At first, everything was new and exciting . . . and then the hard facts came to light and a mad scramble began to have everything finished on time. At first it was believed possible that College Day would see the 1949 SPECTRUM finished and ready to deliver. But the realization that May 13 *was* one month before the end of school made that belief impossible. And so a later date was set for the final production.

"Put the SPECTRUM before any school work" was the advice. So well followed was it, that sometimes we wondered if there *was* anything else at North Central besides the SPECTRUM.

Staffs were kept busy . . . arranging times for portrait sittings . . . mounting pictures . . . writing legible copy . . . persuading advertisers to advertise . . . and finally, identifying the unknown quantities in the group pictures. Much undercurrent was present during those days . . . midnight oil was kept burning way after midnight . . . aspirin tablets were kept handy . . . and a large wastebasket was provided for the many futile efforts.

A sigh of relief went up as the book finally was sent to press. Expert mounters Monie Kinney and Ann Oertli were the first to collapse after the last two strenuous weeks of work. Chuck Wiltfang went off "to be alone" with his weariness. Jim Blakeslee, SPECTRUM photographer, took his well-deserved praise in stride and then gently sank to the darkroom floor, surrounded by empty bottles of developing fluid and empty film packs. Sports editor Jack Koten left his Chronicle desk long enough to bid a grateful sigh of farewell to the last sport write-up. The last page of advertising was neatly sold by the persuasive Janet Daw and Ed Burns. The final name was typed on the Student Directory by Pudge Foster. Adviser David Noss beamed at the last bit of copy while the editor and business manager simply passed away to rest.

In your hands you hold the final result of months of strenuous preparation. We have had a little fun and a lot of headaches in assembling it. We hope that you enjoy the memories of "The Sage Of The 49ers."

#### COLLEGE DAY 1948

Welcome new students! Welcome alumni! So reads the numerous signs that are tacked to every tree, pole, or permanent fixture in sight. This is the day that North Central proudly displays its buildings and Student Body to visitors, new and old. It is the day that the Frosh begin to get saucy and dream of the wonderful months ahead when they will be "upperclassmen." It is the day when the "worldly" Senior realizes that his college days are almost over, and spends his last moments (with tears in his eyes) looking over the campus, wishing he had it to do over again. But to one and all, it is a day that is looked forward to eagerly each year.

College Day, 1948, was packed full of pleasant experiences. Following registration, the Style Show was held in Pfeiffer Hall. After this, the morning program continued with the inauguration of a new Student Body President. Roland Lehker presented the Student Council gavel to Ken Truckenbrod. The new, larger Cardinal was dedicated to the Student Body by its publisher, Ken Tillman. Gloria Spatharos then

presented and dedicated the 1948 Spectrum to Coach Herb Heilman.

The game with Wheaton was the feature of the afternoon. North Central downed Wheaton 8-6. The Crusaders scored twice in the first inning, but the Heilman nine bounced back with five tallies in the third, one in the fifth and two more in the seventh. The Wheatonites pushed three runs across in the eighth and scored again in the ninth, but still found themselves two runs behind when the game ended.

The May Fete, climaxed by the crowning of the Queen, took place in the fieldhouse. Carol Simonsen, representing Dorothy Junke Kolb, presented the crown to Monie Gamertsfelder.

The coronation of King Rex was held in the fieldhouse. The pajama-clad Frosh men formed a background as King Rex Eggert Gierre presented the crown to the new King, Bill Rumsfeld.

To Ralph Kelly and Bill Seiser, co-chairmen, and to the respective committees go a sincere thanks for a College Day that will be remembered in many a student's scrapbook of memories.

# CONCERT LECTURES

The Concert Lecture Series of 1948-'49 made up in quality what it lacked in quantity. The Series began with the Pro Musica Trio, consisting of Ennio Bolognini, world renowned cellist, Fritz Siegal, brilliant violinist, and Nina Mesirov-Minchin, distinguished pianist. Their performance of chambered music included works by Hadyn, Schubert, and Niels Gade. Since its organization in 1930, the Pro Musica Trio has been recognized as one of the outstanding groups in the field of chambermusic.

South America was the subject of a Burton Holmes colored travel film, and was narrated smoothly and effortlessly by Thayer Soule. He described where orchids could be found selling for ten cents each and where ancient mysterious temples that housed fanatical pagan natives of long ago were located.

The third offering of the '48-'49 Artist Series was E. Power Briggs, nationally known organist. He is best known by millions of Americans through his Sunday morning broadcasts over CBS. Playing only music written expressly for the organ, Mr. Briggs is credited with stimulating a fresh output of music for his instrument in the field of contemporary composition.

The St. Louis Symphony Orchestra, one of the nation's leading orchestras, appeared in Pfeiffer Hall on February 25. Directed by Vladimir Golschmann, internationally known conductor, the orchestra played the overture to "Oberon" by von Weber; Tschaikowsky's Symphony No. 5; the prelude to Debussy's "Afternoon of a Faun", chaconne by Vilali; and Richard Strauss' "Der Rosenkavelier" waltzes. The 85-piece Symphony Orchestra was enthusiastically received by the large audience in packed Pfeiffer Hall.

## Act Three — Scene Four

### OFF STAGE

Mrs. Zenetta Hunter is the ruler of Bolton Hall girls. With a firm hand she guides the home life of her girls. Keeping her even more busy are her duties as head hostess of Kaufman Dining Hall.

Mrs. Elda Lubach is the house mother for the boys at Johnson Hall. This is the first year for both Mrs. Lubach and for a dormitory for boys.

Mrs. Jessie Blessing is the house mother for Kroehler Memorial Dormitory. Moving from the comparatively small Kroehler House to the large dorm across the lawn was a big step for Mrs. Blessing. But, as usual, she took it in her stride and kept her freshman girls happy.

# Education and Industry . . .

## Work Together in the Chicago Area

In the Chicago area, you can go to school and get practical industrial experience at the same time. Education and industry work together to coordinate practice and theory. The opportunities that result—both for industrial firms and their employees—are great.

Cooperative training programs have been jointly developed by Chicago area educational institutions and industrial firms. Students selected for these programs alternate three-month periods of industrial work with similar periods of study in cooperating universities. The combination of on-the-job experience and formal schooling turns out men who keenly appreciate both the practical necessities of industry and the theoretical principles that underlie them.

Two major factors promote the success of cooperative training programs in the Chicago area. First, the region is the industrial heartland of the nation; it contains an abundance of diversified industries. Second, the area is richly endowed with a variety of high-calibre educational facilities.

The results have been valuable to the participating industries, to the students enrolled in the training programs, and to the cooperating educational institutions.

*Industry* gains highly trained personnel, and has the opportunity to select for permanent, responsible jobs the best prospects in the group being trained. Since the cooperative programs attract alert, well-balanced individuals, the quality of the entire group is high.

The *students* profit from their knowledge of actual working conditions. They are better able to absorb and weigh the classroom instruction they receive.

The *educational institutions* can plan courses that will fit the needs of the students. Close contact with industry permits adjustment of courses to meet new industrial conditions.

Cooperative training programs are only one of many ways in which education and industry work together in Chicago and Northern Illinois. The combination of a great educational center with a great industrial area offers unusual benefits to every industrialist.

## AN ACKNOWLEDGMENT

We began our work with envisions of insurmountable barriers, but as we encountered each one . . . there was one of you, with a helping hand. So to those who have aided in preparing this book, we send a "Thank you" from the bottom of our hearts.

We would like to give professional tribute to Mr. Kase of S. K. Smith Cover Company for a beautifully designed cover . . . to Helen, Ellen, Casey, Lou, and Mr. Hauschner of Daguerre Studios . . . to "Tony Barrett and Mr. Motherway of Pontiac Engraving for more than necessary aid in solving mounting and engraving problems . . . and to Mr. Rogers of Rogers Printing Company for his unusual courtesy in the printing of our book.

Student service was unlimited and we are unable to express here the names of all those who helped to make our book a success. But we would like to express our appreciation for the work of Chuck Wiltfang with his literary ability . . . Ann Oertli and Monie Kinney with their professional art of mounting . . . Jim Blakeslee and his photographic knowledge . . . Janet Daw, "Pudge" Foster, and Ed Burns for their loyal aid in advertising matters . . . and Betty Jacobson and Joan Schroeder, two grand typists.
